Chick-fil-A Car Display November 13, 2010

Last minute notice: Triangle Car Display is planned at the Chick-fil-A restaurant located at 4621 Capital Blvd in Raleigh. Same place as last year. This display usually brings out over 30 of our members' vehicles. The display will be

from 10 am to 3:30 pm. No judging, so bring your vehicle, dusty or even unfinished. This is an important event for the Triangle Chapter to recruit new members. Dress for November weather.

November Meeting at Cary Golden Corral

Notice Venue Change: Dinner Meeting at the Cary Golden Corral
 The Triangle Chapter meeting will be held Thursday, November 18.
 Venue: Golden Corral. 5707 Dillard Drive, Cary.
 Times: Dinner 6-7 pm, Meeting 7-7:30

pm, Program 7:30.
 Program: Joe Parsons –Radnor Hunt
 Concours d'Elegance
 The Cary Golden Corral will offer a discount to club members who show their name badges the night of the meeting.

President's Message

By Chet Butcher, President Triangle Chapter

What a wonderful ride it's been these past two years as president of the Chapter. Now is the time to let another member have an opportunity to lead us into the new year. Mary and I want to proceed with our plans to travel in the very near future. I would like to personally thank each of you that have given of yourselves to make the Triangle Chapter what it is. We are the largest chapter in North Carolina, we are the only chapter in the state that has it's own Take-A-Part T team.

We have a diverse list of events throughout the year to peak the interest of any old car enthusiast. We have one of the best monthly newsletters in the country along with a great web site which allows us to not only read the articles, but also enjoy the photos in color. One of my favorite articles is the biographies of our members, what a great way to get to know each other better. Best of all we have some of the best old cars in the world and incredible weather year round to enjoy them. It's been my privilege to have served and represented the Triangle Chapter,

thank you.

We still have several events coming up before the end of the year. The first being a cruise-in at the Chick-Fil-A, 4621 Capital Blvd., Raleigh. on November 13, 2010. The next is the Christmas Party at St. Michaels, 830 High House Rd., Cary on December 2, 2010. This is always a festive event. Speaking of which, after careful review of the answers in the questionnaire in regards to this event the following changes are being made. Number 1, is the value of gifts be raised to a limit of \$15 per gift and men bring a man's gift and women bring a woman's gift. Number 2, that "Yankee Swaps" are limited to once and Number 3 that each couple in attendance will be given one ticket to draw from gift table and will each draw at the same time. Have I got you confused? Trust me it will work and we can get through the gift exchange quicker. Have a nice family Thanksgiving.

Chet

How the Triangle Chapter Works

DUES NOTICE: I have corrected the dues notice published in the last newsletter. The dues are to be paid by Jan 1, 2011. You can pay your dues through our local Triangle Treasurer, Fred Harley. The total cost is \$60. See the Dues insert in this months newsletter on Page 11.

National AACA Dues

- National family membership dues are \$35.

NC Region Dues

- \$15 per member and spouse.

Triangle Chapter Dues.

- \$10 per Triangle Chapter family.

2011 OFFICER NOMINATIONS:

Here are the nominees to be presented by the Nominating Committee at the November Chapter meeting for vote at that meeting:

- President: Don Aikin
- Vice President: Cecil Bozarth
- Treasurer: Fred Harley
- Ex-Officio: Chet Butcher
- Board of Directors class of 2012 (three positions open):
 Jim Aldrich, Bob Gault, Les Tryon

Thanks to those who stepped forward to have their names placed in nomination. Additional nominations will be accepted up until the vote.

Triangle Holiday Party Plans

- Date: Thursday, December 2, 2010
- Location: Gallery Room in the Archangel Centre building on the campus of St. Michael Church,
804 High House Road, Cary, NC
Tel. 919-468-6100
- <http://www.acswebnetworks.com/stmichaelcary/mapofcampus>
- Schedule: 6:00 Social Hour,
7:00 Dinner followed by a gift swap*
- Price: General Admission \$22.00 per person
- Hot Buffet Dinner: Salad with pecans, Blue cheese, cranberries, Champagne vinegar dressing, Rolls & Butter, Chicken Breast with Brandy Mushroom Cream Sauce, Flank Steak with horseradish on side Steamed Broccoli Herb Roasted Potatoes, Hot Brownies with Ice Cream & Chocolate Sauce.

* The Triangle Chapter tradition is to hold a fun gift exchange that includes stealing someone else's "temporary" gift, and avoiding the dreaded pink elephant gift. If you plan to participate in the gift swap, please bring one gift per person. Men bring men's gifts, ladies bring ladies gifts. Be aware of trickery to disguise elephant.

Important: Please make your reservations by November 19th if possible, as we must report a number of attendees to secure the arrangements.

Reservations: Fred Harley, 401 Lochside Drive, Cary, NC 27518, Call 919-233-4889 fredharley@nc.rr.com

Questions: Dan Fuccella dan@atiengineers.com (919) 349-5911 (cell).

Editor's Notes

By Denny Oestreich

The Trick or Treaters visited our home on Halloween and left a trick, the cold weather. Fall came quickly this year. It seems one day we were looking for a shade tree at the Oak View Heritage Day car show and the next we were wearing layers of clothes and gloves at the Elder tour.

Time is flying this fall. Does anyone else feel like we are going down hill down and gaining speed? If I start this week, I may have just enough time to do my Christmas shopping starting with something for the gift exchange. Lets see how can I disguise the pink elephant. Beware!

This newsletter has reports on Triangle activities and notices of upcoming events. Thanks to Ben Johnson for sharing his summer pictures in this issue. As a reminder list you should plan to attend the following events:

11/13 - Car Display at Chick-fil-A—Capital Blvd. 10 am

11/21 - Triangle Chapter Meeting—Cary Golden Corral

12/2 - Triangle Holiday Party - St. Michaels, Cary

1/14-15 - NC Region Meeting—Burlington

1/18 - Triangle Chapter Meeting—Cary Golden Corral.

I have several car projects this month. My biggest project is to build a backyard two-car garage. Nothing big, but enough room to get everything out of storage and in one place. The construction has started.

In previous '57 Chevy restorations I have had problems with parts fitting after they are painted. So I have begun to pre-fit the fenders onto my '57 Chevy restoration project. I want to make sure they fit before I begin to paint. This time I will fit the hood to the fenders and ensure the latch work well. I also want to bolt on the bumpers to ensure the gaps are correct. In the past I have had problems in these areas.

Triangle Meeting Notes October 21, 2010

AACA Meeting Notes – 10/21/2010

Action Items & Upcoming Events:

These items need your response or action if you are interested. More details are in Denny's newsletters.

1. Nov 6 – Sat – Br Ni tour to Carthage to visit an incredible gas and steam tractor collection that is only open 1 weekend/year. Contact Riley Reiner if you plan to attend. Entry fee is \$5.00 per person. To avoid ticket lines at the event, contact Riley to arrange prepayment.
2. Nov 13 – Sat – Chapter show at Chick Fil-A on Capital (near 401). Rain date is 11/20. We will not be doing the "T" demos at this event.
3. Nominating Committee: Dan Fuccella reported the inability thus far to find a candidate for the President position. Officer and Board elections will be held at the November meeting assuming a candidate for the President position comes forward. Dan is urging the members to consider the President position. There will be plenty of guidance and support from the prior presidents. If you are interested in serving in any capacity or just want to learn more about the responsibilities of the positions, please call Dan at 349-5911. We understand that everyone is busy – it is hoped that the members will recognize what the Triangle Chapter has done to enrich their lives and come forward to support their club.
4. Dec. 2 – Thursday – Chapter Christmas party, details in the newsletter. Same location as the last few years in Cary. \$22 per person
5. Magnolia Glenn on Creedmoor in Raleigh rescinded their invitation to have our cars visit their assisted care facility due to late time of day that it is scheduled. Perhaps something can be worked out in the future.
6. It was decided by a vote of 17 to 14 by those in attendance at the October, 2010 meeting to hold future meetings at the Cary Golden Corral. The Cary location is offering a discounted price \$10.85 for seniors vs. the \$12.70 senior price at the Glenwood location (these prices include tax and beverage). Although both locations are stated to have same seating capacity of approximately 55 persons, the Cary location was thought to be somewhat roomier. The topic of location may be revisited at anytime by request of the membership.
7. **Region News:** Hulon C. McCraw's biography is missing from the "Nominees for 2011 AACA Board of Directors Election" information in the September/October issue of Antique Automobile magazine. Hulon has been very active in western NC for AACA.

(Continued on page 5)

(Continued from page 4)

His, and the bios of the other Board candidates can be found at <http://www.aaca.org/Nominees2011.pdf>

Information only:

1. October meeting attendance at the Glenwood Golden Corral was 34 people.
2. Guests Shelley & Rich Kilinski were president at the meeting as was new member Dan Morton.
3. Fred Harley reported that membership is at 94 families and the treasury balance stands at \$4,916.
4. Mike Peterson received a plaque from AACA Headquarters for judging at all 11 National AACA meets in 2010. He was among only 19 judges who achieved this distinction in 2010. This is the second time Mike has received this award. Mike encouraged all members to participate in the rewarding and meaningful function as a judge in AACA.
5. Jim Aldridge's Chrysler has been nominated as a finalist for the most prestigious of AACA's awards; the National Award. Jim is to provide the nominating committee with additional information to assist them in making their decision in December of this year. Congratulations Jim!
6. Gary Hunter thanked the members of the Triangle Chapter for participating at the Yates Mill celebration last month with 6 cars in attendance.

Dan Fuccella

Can You Identify this Car?

Recently a friend ask me how he could identify a car that his grandfather was driving. I recommended the AACA Web site. He posted it on the web site and got a few guesses and some interesting dialog, but no

definitive identification. The Website is: <http://forums.aaca.org/f170/seeking-automobile-id-292089.html>.

The guesses so far have been at 1910 Buick and a 1911 Mercer. Can you help identify the car? Note the right hand drive. The picture on the web can be expanded for a more detailed look.

Puzzle and Questions

October Orphan Cardoku Puzzle Answer

Theses letters are the first letters of orphans cars: A = Amphicar B = Bricklyn; C = Chicago Electric; D= DeSoto; E = Edsel; F = Franklin; G = Graham-Paige; H =

Ben Johnson's Pictures Pictures by Ben Johnson

Ben Johnson joined the Triangle Chapter about 5-6 years ago. He regularly attends Triangle Chapter events that he can drive to around Raleigh. Ben has been awarded a Red Bird at an NC Region show hosted by our Triangle Chapter. Ben owned his first Model T, a 1925, in 1955. However the Model T was not his first car. His first car was a 1922 Overland he owned when he was 16 years old. With the help of his older brother, he kept it running and learned about cars. Ben has owned other antique automobiles when he was younger

including a 1925 Buick, a 1937 Buick, and a 1933 Oldsmobile.

Ben bought his Model T about 10 years and has since restored it. The restoration work included engine work, new paint and a new interior. Most recently Ben had some help from fellow Triangle member Fred Harley to fix a stubborn oil leak. The Model T is running fine now.

Ben, who is 80, is the youngest of 12 children, some of whom still refer to him as baby brother. He says that as long as he can crank the Model T he will continue to drive it to local events. Next time you see Ben you will know he drove the Model T. Thanks to Ben's wife who reminded him to take his camera, Ben took these pictures of the three events below.

Car Display for Navy Veterans at Dan and Anne Russell's By Denny Oestreich

Anne Russell arranged a reunion of her father's WWII Navy shipmates who sailed on the destroyer escort, the USS Reynolds. The reunion was held at Dan and Anne's home near Wake Forest. The WWII group has been getting together regularly since they returned from service in the South Pacific in 1945. The events of the day were a picnic lunch and a car display. Triangle members were invited to bring their cars to display for the veterans enjoyment. The weather was perfect for a car show in the driveway.

The Veterans have a great story of joining together aboard the new destroyer escort for their training and getting the new ship ready for service. One of the veter-

ans, Nick Nicholson had kept a detailed daily diary of his activities aboard ship during their deployment to the South Pacific. His diary had been converted to a notebook filled with his diary entries and other scrapbook remembrances of the cruises and activities while at sea. There were pictures contributed by other members of the crew along with the diary entries that made the book a real treasure. Nick was at the event and told us some great stories of their WWII mission.

The Russells had all their garage doors open displaying their four 1933 Franklins. The Franklins are different body styles with different stages of restoration. They have a fully restored Franklin Coupe which was

restored some years ago and is nicely kept and ready to go. The second car is a two door sedan in original condition. Dan and Anne drove this car to New York for the Franklin meet in 2009. When they got close to their destination the Franklin burned a piston. They towed the car to meet where Dan proceeded to take the engine apart and, with the help of many other Franklin owners, the piston was changed. However, caution prevailed and they decided to have the car hauled back to North Carolina. What an adventure. The third Franklin is a two door sedan that Dan is doing a detailed frame-off restoration. He recently got the body back from the painter and matched it up to the frame. The last Franklin is a '33 con-

Triangle members attending were Dean and Les Tryon who had their 1947 Pontiac Woody station wagon on display. Pat and Marci Allen drove their 1963 Pontiac Bonneville. This is a low mileage original car in excellent condition. Jack and Beth Agayoff drove their 1965 Pontiac GTO. Denny and Merry Oestreich displayed their '57 Chevy. Riley and Sandra Reiner came in their 1915 Model-T with Mike and Jean Soehnlein.

The cars filled the driveway and everyone had a good look before lunch. With everyone bringing a dish to pass and the Russells providing pulled pork sandwiches and we had a great picnic lunch. After lunch Riley provided Model T rides to the kids and one veteran,

vertible that needs a complete restoration. In addition to the cars the Russells have a collections of rare Franklin parts.

Nick. Think of it; the Model T was 10 years older than Nick but 90 year older than the children. Riley was in the middle.

Brass Nickel Tour the Elder “100 Years of Progress’ Collection

By Denny Oestreich

The final Brass Nickel Region touring region event was a tour to see the Elder “100+ Years of Progress” collection in Carthage, NC. The BNTR tour assembled at the Spring Lane shopping Center in Sanford at 9 am. The tour formed in the parking lot in the cold November rain. There were ten antique vehicles and several modern cars, with heat. Last to arrive was tour organizer Ri-

minute tour organizing and some rearranging, the engines were started and the windshield wipers were turned on and the tour was off. The tour route was detailed by Judy Edwards. The route was typically short stretches on rural roads. There was not too much traffic. We followed Riley and Sandra, with daughter Jenny Wimmer and grandson Colin who were bundled up for a cold ride.

ley Reiner with the Brass Nickel meeting room in tow.

The tour was a 20 mile trip to the Elder venue. Reserved parking for antique vehicles was located near the display field. There were about 75 antique cars in the reserved parking area. On the field were various displays of antique tractors, farm implements, demonstrations of threshing and various crafts.

With the tailgate dropped and the 1915 Model T unloaded, Brass Nickel held a meeting in Riley’s trailer. The short meeting included election of BNTR officers for 2011 and handing out maps for the tour . After last

(Continued from page 9)

Across the road from the parking lot was the main display area. There was something on display to interest everyone. There was an antique auction with everything from pedal cars to kitchen utensils and glass objects. Two sawmills were in operation. The larger sawmill was powered by a steam tractor. When the large two foot diameter log bogged down the saw blade, the large tractor began to dance around until the cut was completed. The smaller saw was cutting cedar boards.

One of the first attractions is a display of stationary engines. These engines were used for many different purposes including pumping water, grinding wheels, and small saws. The display had hundreds of stationary engines. One was even connected to a device called a money launderer. The stationary engine display shared space with a Stanley Steamer that offered rides.

There were several display stores including a general store, a doll store, and a motorcycle store. The stores were along a simulated small town with a board walk. Across from the stores were more collection displays including a garage, a weaving display and a print shop.

The primary collections of Mr. Elder are his tractors

and trucks. He does not appear to have a favorite with all makes and models of gas, diesel and steam tractors displayed. There are a reported over 600 tractors on display. The tractors are displayed in several large build-

ings. Among the tractors and trucks were a few antique cars. Besides the Stanley Steamer there were also an early '10 Brush and '33 Buick in the collection.

There were many displays and something for everyone to enjoy. Don't miss it next year.
