January 20 Meeting at Cary Golden Corral

The first Triangle Chapter business meeting of the year will be held Thursday evening January 20, 2011

Venue: Golden Corral. 5707 Dillard Drive, Cary.

Times: Dinner 6-7 pm, Meeting 7-7:30 pm, Program 7:30.

Program: Rob VanDewoestine will give a presentation on the "2010 A-C-D Club Reunion -- The Year of the Duesenberg".

The Cary Golden Corral will offer a discount to club members who show their name badges the night of the meeting. We hope to see you there.

Hosts Needed for Chili Cook-off

The Triangle Chapter has held a Chili Cook off in February for many years. Mike and Jean Soehnlein have hosted the event at their home in most years. Due to Mike's illness they are very occupied with his treatment and recovery and cannot host this year. If you have the space to host the event please consider volunteering. The event is scheduled in February and usually has about 50 participants. Please contact Don Aikin at 556-2302. We will discuss the plans at the January 20 meeting

President's Message

By Don Aikin

Happy New Year! I look forward to serving as your chapter president in 2011 and thank all of you for the honor of doing so. I hope to meet many more of our chapter members at our various events throughout the year.

It looks as though winter will be with us for awhile. As I write this, we are awaiting our next winter storm, so I've decided to leave town for Connecticut where they already have 8-10" of snow on the ground. Hopefully, I'll be back in time for the NC Region Annual Meeting on Saturday. I've enjoyed attending these meetings over the last couple of years. If you've never been, plan on attending one.

Following the NC Region Annual Meeting will be our chapter board meeting on January 23rd, where we will plan what I hope will be an active and fun year of events.

Speaking of events, we need someone to step forward to organize our annual Chili Cook-Off, as Mike and Jean have a much more important project right now - restoring Mike to good health! I know all of our members join Dottie and I in keeping Mike, Jean and our other members with health problems in our thoughts and prayers.

I look forward to seeing many of you at our 1st monthly meeting of 2011 on Jan. 20th. The program will be a presentation by Rob VanDewoestine on the 2010 Auburn-Cord-Duesenberg Reunion.

How the Triangle Chapter Works

The Triangle Chapter Board of Directors meeting will be held January 23 at Don and Dottie Aikin's home near Wake Forest. The Board meets once annually to plan the next year's (2011) Triangle Chapter activities. All board members and officers are requested to attend this meeting.

Members are requested to contact any officer or Board member if you have an idea or an activity you would like the Triangle Chapter to plan in 2010. You should also contact someone if you would like to volunteer to lead or be a member of a committee. Start thinking now about what you'd like and how you might help the Triangle Chapter have another great year.

Cecil Bozarth Wins AACA Award

By Fed Harley

Fred Harley received a short note from Cecil Bozarth that he has won an AACA National Award for his 1940 Lincoln Zephyr and plans to go to Philadelphia with Andrea to pick it up. He didn't remember which National Award so he will be surprised when it is given to him. Congratulations Cecil!

Editor's Notes

By Denny Oestreich

Happy New Year to all Triangle Chapter members. I hope you all win an award at every car show this year.

The holidays were a great time for me. I had some needed time off from work, spent time with family, and worked on my new garage. The small new garage in the backyard is closed in , but still lacks electricity and heat. There is more to do.

I stopped in at the paint shop to see how my '57 Chevy paint job is coming. The car is all painted in red and should be ready for reassembly starting next week. The reassembly will take a long time.

Don Aikin has provided his first President's Message. I look forward to Don's columns. I also need your stories and pictures to make interesting news-letter content. If you have a story please

write it up and send it to me. Pictures make your stories better. I will help.

Don Aikin has called for Chapter programs in March thru June. Please consider. See the article on Page 2..

Jim Aldrich received a notice of nomination from AACA for recognition of his 31 Chrysler. Jim says an interesting point is there were over 5000 vehicles exhibited at the various AACA 2010 shows in the USA. Of these, 405 vehicles were nominated for the National awards, but only one could be selected from each class.

Triangle Chapter 2010 In Review By Denny Oestreich

The Triangle Chapter had a great year of activities in 2010. Members also participated in other car shows and events during the year. Since January is the new year it's a good time to reflect on some of what happened in the last very short year. I hope you recognize these Triangle Chapter members enjoying themselves at the many events of 2010.

The NC Region meeting in Burlington last January

was a great meeting with interesting seminars and a judging school. Dan Fucella, Floyd Barnes,

Jim Aldrich, and Chet Butcher enjoyed the special tools seminar.

Also at this meeting Mike Soehnlein received the 2009 Dave Hinkle Award.

On January 23rd Vice President Cecil Bozarth and Andrea Irby were married in Pinehurst, NC. Rita, Cecil's 1940 Lincoln, played an

important part in the ceremony as the "get-away" car. Don't forget that first anniversary coming up Cecil.

In February the Triangle Chapter held the annual Chili Cook-off at Soehnlein's. The chili and cornbread were very good and the desserts were the best. After lunch the ladies painted memory boxes while the men planned the trophy work for the May NC Region Car Show.

In March the Brian and Trish White entered their 1909 Cadillac the Amelia Island Concours.

At Charlotte in April of 2010 Bob Gault entered his 61 Ford pickup in the AACA judging for the first time.

Since it was his first show, the judges had not seen the truck before, Bob had to

answer several questions as the judges learned how to judge his truck. Several other Triangle members participated in the Charlotte show including Jack Agayoff with his

judge his truck. Several other Triangle members participated in the Charlotte show including Jack Agayoff with his

'56 T-Bird, Floyd Barnes '55 Chevy, Dan Fuccella '50 Willys, and Cecil Bozart '40 Lincoln.

The Reiner's and Fuccella's participated in Brass Nickel Touring Region Goldsboro tour in April. It was a small tour, but everyone reported a good time.

The Triangle chapter had a Take-A-Part T warm up at the Mordecai Historic Park event in May this year. The star of the Mordecai show was the Take-A-Part T.

The T is pictured here participating in a political rally for the "Women's Right to Vote."

Also in May the Triangle Chapter hosted the NC Region Spring Meet. The AACA Judged show was a success with several first time cars entered.

At the AACA Nationals on May 13-14 in New Bern, The Triangle Chapter performed two Take-A-Part T demonstrations. There was a good crowd and the demo went well. The demo was video taped and is now linked to our Web page.

On June 19 several members of the Triangle Chapter

joined the Brass Nickel Region on a tour around Little Washington area. The tour included a stop at the

Coastal Plains Car show.

Several Triangle Chapter members enjoyed the AACA National car show July 1-4 in Louisville Kentucky. Jim and Beck Aldrich entered their 1931 Chrysler.

Then on July 19 the annual Ice Cream social was held at John and Nancy Hartley's. This has been a traditional event for over 20 years. There were many cool flavors of homemade ice cream

and fixings.

Another summer tradition is the watermelon feast at Joe and Sybol Daniel's home.

This event

is a summer day in the country with time for folding chair discussions.

In August Fred and Sue Harley entered their 1911 Buick in the AACA Nationals. Their Buick, which is 100 years old this year, is being polished by Triangle Chapter Spotlight News Reporter, Sue Harley.

Joe Parson's and his Grandson participated in Ra-

(Continued from page 6)
leigh's newest Car Show "Classics at the Capital" on August 22. What a way to be introduced to the car hobby.

During the fall, Triangle members participated in several events including a car display at Dan and Anne Russell's home. Riley

Reiner took the youngest and oldest participants for a Model T ride.

In October the Triangle Chapter participated in the

Oak View Heritage days. The last Take-A-Part T demonstrations of 2010 were held at this event.

The Holiday party in December was the final

Chapter event of 2010. Did I mention that Jim Aldrich is in charge of the pink elephant this year.

Triangle Chapter members enjoyed these and other events during the

past year. In addition to the events I listed with pictures there were more Brass Nickel Region tours National Events and car displays that added to the enjoyment of our hobby. I hope you were able to attend some of these and have plans to attend more in 2011. Where ever you go with your antique car, remember to take your camera and take pictures.
