Wake Forest Car Show

The 3rd annual Wake Forest Charity Car Show on Father's Day weekend Saturday, June 20, 2015, from 9 a.m. to 3 p.m. in historic downtown Wake Forest.

Free admission, live music, food trucks, Model T assembly demonstration by the Triangle Chapter, door prizes, 50/50 raffle. Expect over 200 classic and unique cars. Show proceeds (100%) benefit local charities.

Car registration begins at 8 a.m. at the intersection of S. White Street and Elm Street. A \$20 entry fee is required for owners wishing to display their cars or enter them for judging. Presentation of awards will begin at 2 p.m. Sign up with Riley at 919-554-1158 for the Take-A-Part T Demo.

May Meeting Program

The May 21 Triangle Chapter meeting Program will be a Powerpoint slide presentation on the History of the Maserati automobile. The presentation will be narrated by Dan Morton. A Maserati Dealer may be there. No word from Dan yet on a major door prize award.

Future Newsletters

The June and July the Triangle Chapter Newsletters will be in Email and Web site format. We will collect newsletter inputs and post them on our web page as they are received. Once or twice a month the Newsletter

will be forwarded to you by Email or mailed to those who do not have Email. Here are some of the really good Triangle Chapter stories and updates planned for the June Edition.

1. "Bob Adams Restoration Shop" by Rob Van Dewoestine.
2. "Seeing Double " by Jack Agayoff.
3. "Wake Forest Display Pictures"
4. "Cary Car Show Report."
5. Other short reports by members.

The June issue will appear online a few days after our next meeting at:

<http://www.ncregionaaca.com/triangle/>

In This Issue...

• Newsletters on line.
Triangle Upcoming Events.
Bob Adams Shop
Wake Forest Display
Triangle Chapter Web Site.
Seeing Double.

Triangle Summer Newsletter On Line

The Triangle Chapter is still looking for an editor to prepare and publish our monthly newsletter. After the May printed newsletter (May 2015 issue) your club information will be coming via email for June and July. Jean Soehnlein will publish the next printed newsletter in August. June and July newsletter topics will be in this format which is similar to the AACA Speedster format. If you have an article please forward it to Riley Reiner, Dean Tryon, or Danny Cieschack and we will appear it into this format. The online newsletter will be on our Web Site where you can see it at any time. Once or twice a month when there is sufficient new content the Web copy will be sent by email to all members. Those members who do not have email or have trouble with printing Email will be sent a paper copy. Also if you would like to be the editor please contact Riley Reiner.

President's Random Thoughts

By Riley Reiner

May, 2015

Our annual car show is now history. My thanks go out to all of the members who gave their time and talents to make our meet successful. The weather was very cooperative but was slightly damp around daybreak. Dean reported to me that we had more non-members registered than members. We still have a distance to go to improve membership participation. I don't get too upset because I realize that our club is voluntary, our family obligations come first and we have many activities in the Raleigh area to capture our attention. I must go back to my days as a middle school principal and my mini sermons to the less than motivated students. You get from any class (club or organization) what the student (member) puts into it. End of my sermon; I suggest we sing a hymn, pass the plate and go to lunch.

We are trying to get a Sunday afternoon tour together for June. After this printed newsletter, your club information will be coming via email for June and July. Jean Soehnlein will publish the next printed copy for August. Dean has sent out a blast email to all members asking for assistance on the Cary Take Apart T Shows (May 16) and the shows in Wake Forest on Saturday June 20th. Please contact me if you can help with either day or just one. I have heard from a handful of members who can help but we do not have enough to do either show. I will not be able to help with the Cary show due to a family commitment. The calendar in this issue will give you more opportunities to get your car out of the garage.

George Ashley and I were on the other side of town this week and decided to stop at the State Farmers Market to see the changes made for parking. We were surprised to find nothing had been done and that was the reason we could not move our meet to that location. I will make contact again with the director and find out what is going to happen this year. We have found some good trailer parking, some grass for lawn display and some paved display area removed from the sales buildings but within a comfortable walking distance for restrooms and food. George and Marv have met with the new park director and were given some possible improvements on the park's nickel to improve our meet and attract more visitors.

Enjoy the spring days and I will see you down the road.
Riley

2015 Triangle Contacts

Triangle Chapter Officers

- President Riley Reiner (919-554-1158)
- Vice President Dan Morton (919-876-3291)
- Treasurer Fred Harley (919-233-4889)
- Ex-Officio Denny Oestreich (919-846-8163)

Board of Directors (Class of 2015)

- Jack Agayoff (919-846-8570)
- Pat Allen (919-556-3652)
- Marilee Sanderson (919-467-9999)

Board of Directors (Class of 2016)

- George Ashley (919-846-8570)
- Grady Conner (919-696-4736)
- Marv Gage (919 -846-4708)

- Awards Jim Gill (919-554-1158)
- Newsletter I. T. Couldbeu (Open)
- Region News..... Jean Soehnlein (919-847-4832)
- Youth Coordinator..... Dan Fuccella (919-349-5911)
- Web Master Denny Oestreich (919-846-8163)

Editor's Notes - Denny Oestreich

Is your garden planted? It is supposed to be in before the Kentucky Derby. If you are mowing your lawn twice a week, then you are in NC in late spring.

This edition of the newsletter contains stories about the Southeastern National and Triangle car shows. Both shows were well attended and I hope you had an opportunity to participate. Thanks to the efforts of the many Triangle Chapter members who made the Triangle show successful. See the story.

Congratulations to those members participating in the National Shows this summer. Henry Burgwyn achieved a Senior award and Jack Agayoff received a Junior award at the Virginia Beach Spring Meet.

We have some planning to do to prepare for summer activities. Please participate. The first event is the Cary Car show with a Take-A-Part T demo. Plans for our summer picnic, Ice Cream social and a car tour are TBD.

The June and July Newsletters will be in Email and Web site format. We will collect newsletter inputs and post them on our web page as they are received. Once or twice a month the Newsletter will be forwarded to you by Email or mailed to those who do not have Email. If you have some news for the new format send me an Email and I will post it.

Triangle Chapter AACA Calendar and Events

2015 CALENDAR

<http://www.ncregionaaca.com/region/index.php/2012-02-13-00-21-14>

Meeting Minutes By Dean Tryon April 16, 2015

1. Riley Reiner opened the meeting and introduced several new members attending for the first time, Mark Lew, John Gilliam and Alissa Popovic. (All 3 had cars at the 4/18 show incidentally.)

Meeting Minutes continued

2. The open newsletter editor position will be temporarily filled by Denny Oestreich and Jean Soehnlein. Some months will be e-mail only in the interim. If you have, or can write up any articles for the newsletter, they would be appreciated. And if you are interested in helping with the newsletter, let Riley know.
3. Fred Harley reported that membership is at 85 families and the treasury is in great shape at \$6,700 (prior to show income and expenses).
4. Upcoming shows to consider include: (more details in the newsletter)
 - a. May 9 – Garden Club show in Wake Forest. Dean Tryon is the contact.
 - b. May 16 – Cary show. Help with the "T" is needed but we have no judging responsibility this year.
 - c. May 30 – NC Region meet in Wilmington at the battleship museum site.
 - d. June 20 – Wake Forest Charity Car show in downtown. Last year they had 236 cars and closed all of downtown for it. We will do the "T" at 11 & 1.
5. Denny reminded/requested members to support our nearby chapters car shows also.
6. Riley and Marv reviewed the status of our 4/18 show. Results will be in the next newsletter.
7. Several member received awards at the Charlotte show earlier this month including Fred Harley, Joe Parsons and Dan Fuccella.
8. The discussion on non-ethanol fuel that started at our January meeting resulted in Dean putting together a chart of 31 local stations. This was distributed by e-mail to all chapter members recently.

The program was a very interesting 20 min movie (plus two short humorous commercials for the Opel Kadette) by Skip Elsheimer (see www.avgeeks.com).

He has a huge collection of 16mm films from the 1950's and older. The one he showed was "The Changing Architecture of The Automobile Body", a GM production showing the changing of early body style of cars, sport cars and special bodies.

2015 Triangle Chapter Car Show April 18, 2015 by Denny Oestreich

We worried about the success of our show because of competing shows and a light rain in the morning. However, when the rain stopped at about 9 am and the cars started coming to registration, we were on the way to a successful show. In total we had 62 cars on the show field. Thanks to our members' hard work the show went very well. The participants and spectators enjoyed themselves.

Planning for our car show started in October of 2014 with the reservation of a date for the show with

the NC Region. We had to carefully choose a date that did not conflict with other car shows. We moved the date one week earlier, to April 25, so we would not conflict with the Pinehurst Concours. Then we moved the date another week earlier, to April 18, so that we did not conflict with the Corvette show as we did last year. We were still impacted by the big Good Guys Hot Rod show at the State Fair grounds. Several entrants chose our show because it was lower cost.

Also, it rained on April 25, so it seems we may have picked the best date we could this year.

Marv Gage coordinated our car show arrangements with Oak View, planned the advertising and the parking. The newspaper advertising in the N&O

proved to be very effective for drawing non-members and spectators.

Registration was coordinated by Dean Tryon. Dean had 38 preregistrations including many that came in at our last meeting two days before the show. We had only six no-shows. The remaining 30 registrations came the day of the show.

The field layout and preparation were done on Friday before the show. Tony and Arlene Hanjics provided the cones, markers, and signs which they have donated to the Triangle Chapter. Thank you, Tony and Arlene. The field layout was completed by the team of Triangle members. The tent was put up, 22 sponsor banners were placed on the gazebo, and signs placed around the area. Thanks to Dan Morton for doing the heavy hauling of the car show materials. Thanks also to Joe Parsons for soliciting the sponsorships and preparing the banners. Riley and Sandra transported the Take-a-Part T.

On the morning of the show Dean and Les Tryon were in place for registration and Jeff Hopp, the photographer, was ready for the entrants' pictures. You can see Jeff's official pictures of the entrants on our Web site at:

<http://www.ncregionaaca.com/triangle/>

Triangle

Members displayed 27 vehicles.

First time vehicles displayed by new members included Alissa Popovic (1973 Duster), Chad and

Ami Goldman (1941 Packard), and Tom Borden (1958 Chevrolet). Other members displaying their vehicles for the first time were; Robert Adams (1941 Packard), and Jim Aldrich (1920 Dodge Brothers Touring Police Special). The Special Interest class had 12 entries, including many great hot rods.

Car Show Continued from Page 4

Triangle members provided drinks and donuts for the members and entrants. Thanks to Jean Soehnlein for coordinating the breakfast table. Chic-Fil-A sandwiches hot dogs and drinks for lunch were provided by the Eastern Star. They sold out shortly before 1 PM.

There were two Take-A-Part T demonstrations with many

members participating in the assembly. Riley Reiner provided narration and coaching. The assembly times for the two demonstrations were identical at 6.48 seconds. These were not record times, but the Take-A-part T started well on both attempts.

The judges began their work shortly after noon and had a difficult time discerning winners due to all the great entries. The results were used for final assembly of the Trophies by Riley, Jean Soehnlein, Marilee Sanderson, and Denny Oestreich. Riley announced the winners at 4 pm.

Thanks to all the members for helping to take down the tents, displays, signs and clean up the grounds. We had a successful show. Check out more show pictures on our Website at:

<http://ncregionaaca.com/triangle/>

Southeastern National Show

April 9, 2015
By Denny Oestreich

The annual AACA Southeastern National Show sponsored by the Hornet nest region was held June 6, 2015. It was a cool to warm day. There was no rain, some overcast, some sunburn and the pollen was light compared to Raleigh.

On the show field were 221 vehicles, 82 DPC and HPOF and 139 class judged vehicles. There were several expensive newly restored vehicles. They came from long distances on their quests for First Juniors and Senior badges.

Triangle Chapter members showing cars were:

- Tommy Fitzgerald (1906 Reo—Repeat Preservation and a 1989 Honda—HPOF),
- Dan Fuccella (1950 Willlys Overland - Repeat DPC),
- Fred Harley (1911 Buick—Senior), and
- Joe Parsons (1963 Studebaker) - First Junior).

Jim Aldrich displayed his 1920 Dodge Bothers Touring Police Car in the NASCAR garage with a special Dodge 100th anniversary exhibit.

Triangle Chapter members on the Judging teams were; Riley Reiner, Dan Morton, Mike Peterson, Jim Aldrich, Floyd Barnes, Fred Harley and Bob Safrit.

Helping the Hornets Nest Region at the ticket both was Marilee Sanderson. Joe Parsons went home with a trophy for his first Junior award.

I met many AACA friends including Eric Marsh

who looked at my shopping cart and asked if I was helping the economy by spending money. My only purchased treasures

from the vendor spaces were several dash gauges and an early FM radio adapter. I was interested in finding another car project. A long walk around the track looking at about 500 or more

cars I saw some interesting projects, but the cost has gone up considerably in the past year. I guess I need to look in more barns, garages, and back yards.

Wake Forest Car Display

On May 9, 2015 the Wake Forest Garden Club held their annual Craft and Garden Show on the lawn of the Wake Forest Birthplace Museum. Les Tryon had neat crafts for sale (great gift ideas). Dean Tryon had 10 friends displaying their cars on an area adjacent to the vendor spaces. There were two rows of cars, prewar and post war. Cars were

displayed by Dean Tryon, Marv Gage, Bob Fuhrman, Sandy Smart, Dan and Anne Russell (2), George Ashley, Ken Nagy, and Denny Oestreich. More pictures will be in the June Newsletter.
