3. President's Corner

By Jim Gill

Reporting this month from the comforts of my own home. Yes, it was different reporting from the north woods last month and certainly not as easy as I expected. It sure has been a fun filled month for all. We had a successful Ice Cream Social attended by many members. A number of members visited various car shows in the area and some far away. And some that were able to stay home and welcome summer visitors. Word from the Reiner home is Sandra is progressing with a target of full recovery following surgery and rehabilitation. Good work Sandra, keep your spirits up.

Next up for our club is the first fall meeting on September 21st followed up closely with our annual summer/fall picnic on September 24th. The Bozarth's will host this annual event at their home, details later.

A special thanks to Annie and Denny for keeping us informed through the newsletter during the summer months. Speaking of the newsletter, I think we should have some kind of competition this year to come up with a catchy title.

See you all soon as we gather as a group once again.

See pictures Jim attended on our Web site at: <http://www.ncregionaaca.com/triangle/>

4. Editors' Notes

Editors: Annie Goldman and Denny Oestreich

July is here and many members are off venturing around the world! We hope their travels involve going to car shows!

Article Deadlines:

The monthly newsletter is published a week before each meeting. Our meetings are on the 3rd Thursday each month (We do not meet in July or August, but we still publish a newsletter). The deadline for submitting an

article is the 2nd Thursday each month. We love to get your articles. Some ideas:

- Tell us how about the newest car you just got.
- Tell about car shows you attended.
- Tell us about car related things you saw or did on vacation.
- Tell us about the most fun you ever had in your car.
- Include links to your pictures. Even in PDF you can click on links to pictures in the newsletter
- We especially enjoy pictures of your car projects. Please send or give your pictures and articles to Denny (OestreichD@AOL.com) or Annie at: anniesss@gmail.com.

Printing help

If you have trouble printing our newsletter from Email, please contact Denny at: OestreichD@AOL.com. I can send you a word document or imbed it in an Email.

6. Thoughts for Members

By Denny Oestreich

Sandra Reiner is continuing to make good progress on her recovery from an operation to remove a tumor. Riley indicates she came home on July 27th and is making great progress with getting around with aid of her walker. Sandra is scheduled for treatments at the rehab center for the next 6 to 8 weeks. Riley is busy as a chauffeur for Sandra and the grandchildren. He has also added skills operating major household machinery

(washer and dryer) and has also become an experienced one finger chef (using the microwave). Sandra and Riley express their thanks for the prayers, cards, concerns and meals from friends and members of the Triangle Chapter.

Keep Lee McGregor in your thoughts. Lee has been moved to Carillion Assisted Living, Wake Forest. The facility is located at 3218 Heritage Trade Drive Wake Forest, NC 27587. I do not think he has his cell phone there but the facility number is (919) 569-2101. He gets therapy several times a week but they only last a short while. He would be thrilled to see a friendly face and share good times as he is not expected to return to his home anytime soon.

8. Triangle Ice Cream Social – July 16, 2017

By Annie Goldman

Thanks to Rob and Barbara VanDewoestine for hosting this year's Ice Cream Social in their beautiful home and garage. Multiple flavors of delicious ice cream from Maple View Farm in Durham was the highlight of the day and all of the toppings and additional deserts completed a wonderful afternoon. About 30 Chapter members attended the event Sunday, July 16. And to top it off... it was National Ice Cream day.

9. Greensboro Car Show – August 5, 2017

By Rob VanDewoestine

There were 120 cars on the show field. The weather was about perfect with a good breeze all day. In addition to the show cars, the farmer's market was taking place next to the show field. There were also a half dozen food trucks, an equal number of concession stands along with a half dozen vendor displays. The General Greene Chapter had things well organized with plenty of parking for cars and trailers. They went briskly through the awards ceremony at 3:00

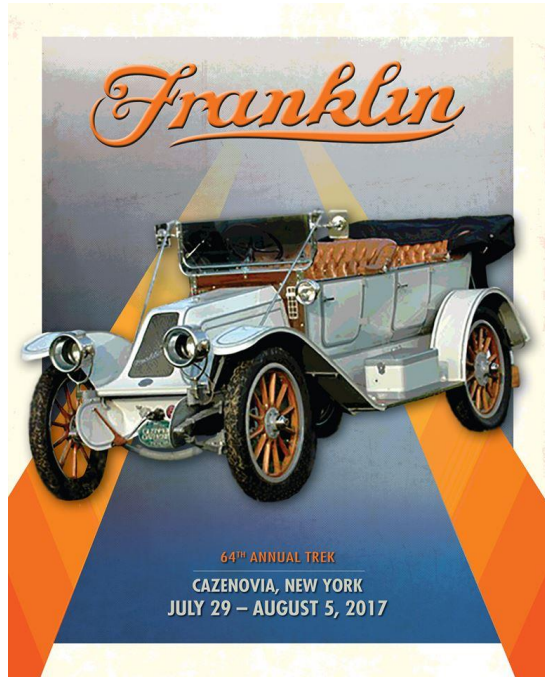

10. 64th Annual Franklin Trek

By Marv Gage

On July 28th Jeannette and I left for the 64th annual Franklin Trek which was held in Cazenovia, NY. People ask me “what is a Trek” and I like to describe it as a family reunion where everyone owns a Franklin. The purpose of the Trek is to bring together the Franklins for a week of touring the New York back roads. Most of the Trekers stay at Cazenovia College, while a few stay in one of the three “1800’s” Inns in the town. The

Franklins are parked on the College Green and we encouraged the towns people to visit the Green and talk with the Franklin owners.

We arrived on Sat. afternoon and had dinner at the College with friends we hadn't seen since the last Trek. Sunday there was a parade of the Franklins through town and a tour around Cazenovia Lake. After lunch we had a tour to a local Museum. Monday we toured to the Morrisville College Automotive Center where we learned about the new equipment available to work on the new automobiles. Tuesday morning a representative from the Joe Gibbs NASCAR team talked about today's lubricants and how they might affect our old car engines and transmissions. Wednesday we toured to a Nature Center where the children could feed the ducks and the fish and do some canoeing. Thursday was our longest tour (about 100 miles round trip) to Utica to an Indian Cultural Center and lunch at the Utica train station. This was a beautiful building built in the 1920's and is still an operating train station today. Friday we had our Road Rally in the morning, lunch in a park on Cazenovia Lake and, after the lunch, the Franklin Olympics. This year the Olympics included an obstacle course that a blindfolded driver had to negotiate with his

passenger giving him the driving instructions. We finished the day with a cocktail party and Banquet at the College.

We had 250 people attend the Trek and they brought 61 Franklins. About a dozen of them were over 100 years old.

The Horseless Carriage Club of America was having a tour in Hamilton NY the same week we were in Cazenovia. Since they were only 15 miles away, we tried to set up a day when we could tour together, but that didn't work out. They had 40 cars and it would have been great to see 100 old cars touring the back roads around the area.

The flyer features a dark blue background with white text. At the top, it says 'You're Invited to a SHINE & SHOW' in a large, serif font. Below that, the date and time are listed: 'Saturday, September 9 | 9 am - 1 pm'. A paragraph of text follows: 'Bring your antique, classic and exotic cars to our complimentary Shine & Show! Enjoy a delicious breakfast spread including cocktails for purchase and vote on your favorite cars! Exciting prizes will be awarded to the winning cars at 1 pm*.' Below the text is a photograph of the Hasentree Clubhouse, a large stone building with a central entrance and a landscaped garden in front. At the bottom of the flyer, there is a black box with white text: 'RSVP TO 919-562-9900'. Below this is another paragraph: 'While you're here, tour the magnificent Hasentree Clubhouse! As the heart of this stunning community, the luxurious 16,500 sq. ft. Clubhouse offers breathtaking views of the Tom Fazio Golf Course, an expansive bar and grille room, private dining room, covered outdoor dining and fire pit area, and much more!'. At the very bottom, there is a photograph of several classic cars, including a prominent red one. To the right of the photo is the Hasentree logo and contact information: '7305 Village Club Drive, Wake Forest, NC, 27587 | 919-562-9900', 'Open Sun & Mon 1 pm - 6 pm; Tue - Sat 10 am - 6 pm', and 'Homes priced from the upper \$300,000s to \$1,000,000+'.

In July the Hasentree Country Club held its first Shine and Show car event, It was poorly attended due to a lack of advertising. There were only about 13 cars attending. I attended the first show and won with my Golden Hawk.

Hazentree is trying to establish a quality car show and advertise their country Club. They are planning a second event this summer with more advertising. They are really hoping this September 9, 2017 show will be a success. This Shine and Show event is really a fun time with FREE REGISTRATION AND A FREE FULL BUFFET IN THE CLUB DINNING ROOM for all car owners.

Awards are still being finalized, perhaps vouchers for the club use, photo plaques, or trophies BUT THERE WILL BE AWARDS

I urge our AACA members to please attend this great venue and enjoy the food, DJ music, and great show parking lot.

12. Tool Wizard Challenge

By Denny Oestreich
July Tool Challenge

In the Email race to answer the Tool Wizard Contest Glen Andrews replied with the correct answer just shortly before Ted Brooks also replied with correct answer. We have two wizards. Glen says "it's a Brake shoe hold down spring tool, for removal and installation of: the hold down spring, spring washer, hold down nail, and brake shoe, to secure the shoe to the backing plate. This type tool used mainly on the 50's cars and newer; it won't work on my '38 Chevy pickup." Ted Brooks' answer " It's used to remove/install the spring-loaded washer on the brake shoe retaining pin. Shoe + pin + spring + washer = 4 parts". Of course we usually end up using a pair of needle nose pliers to do this job.

July Mystery Tool

August Mystery Tool

The August mystery tool was submitted by Jim Gill. The tool has a specific purpose. To make the contest a little more difficult, you must identify: 1. The purpose of the tool, 2. The important missing part of the tool, and 3. The rotation reaction of the end of the tool to turning the crank. If you have an answer for this mystery email Denny at OestreichD@AOL.com.
