## 2. Next Triangle Chapter Events

### 1. What: Triangle Chapter monthly meeting.

**When:** Thursday evening, March 16, 2017.

**Where:** Golden Corral on Glenwood Avenue

**Times:** Dinner starts at 6 pm; Meeting will start at 7:00 pm; Program starts at 7:30 pm.

**Program Topic:** The history of Studebaker and Mercedes presented by Joe Parsons

For the march meeting my subject will be the ***Studebaker - Packard relationship with Mercedes-Benz***

Studebaker-Packard (SP) had a licensee agreement with MB to sell Mercedes at the many Studebaker – Packard dealerships. I will have a power point presentation on the prior history of Mercedes-Benz (MB) sales and the subsidiary agreement with SP. I have researched various SP dealerships showing the MB cars, dealer training to sell MB, and the signs on SP dealerships. Additionally, I will show the relationship between Porsche and Studebaker to develop a prototype car and I can provide some history of Studebaker importing Volkswagens into Canada

## 2. **What: Triangle Chili Cool-off**

**When:** Saturday, April 1, 2017.

**Where:** Joel Hoffman's home. 10708 Penny Road, Cary

**Times:** Social Hour 1:30 to 2:30 PM

**By Jean Soehnlein**

It is time again to get out your fabulous Chili recipes and bring a crockpot full to our Annual Chili Cook-Off on Saturday, April 1<sup>st</sup>, 2017 at Joel Hoffman's home. His address is: 10708 Penny Road, Cary. We will have a Social Time from 1:30 to 2:30 PM while the Chili is warming up. We need lots of Chili so we can taste and compare for the **Best Chili** and the **Hottest Chili**. Because we get so many wonderful desserts for this event, last year we added an additional prize for the **Best Homemade Dessert**. There will also be a prize for the **Best Cornbread** and I have heard a few say they have a recipe that will challenge Peggy Barnes award winning Cornbread!!! The challenge is on! Come on out to Joel's home and join everyone for some really, good Chili.

Please contact **Jean Soehnlein** if you plan to come and will be bringing a pot of Chili at 919-847-4832 or [moosemail@bellsouth.net](mailto:moosemail@bellsouth.net). By having a headcount, I can plan drinks, paper products, etc. Hopefully, it will be a beautiful day so you can drive your antique car to the event. There are no projects planned to do after we eat. Since we are hosting the NC Region Meet on May 6<sup>th</sup>, we may have some assignments to cover and other items not yet determined.

**See you all on Saturday, April 1st.**

We need a headcount so, if you have not already answered the Evite please contact Annie Goldman at: [anniesss@gmail.com](mailto:anniesss@gmail.com) or let her know at our next meeting.

*Jean's beautifully drawn prize bags from the 2016 event.*

## 3. Editors' Notes

**Editors: Annie Goldman and Denny Oestreich**

### Printing help

If you have trouble printing our newsletter from Email, a PDF copy is on our Web page at: <http://www.ncregionaaca.com/triangle/>.

### Deadlines:

The monthly newsletter is published a week before each meeting. Our meetings are on the 3<sup>rd</sup> Thursday each month (We do not meet in July or August, but we still publish). The deadline for article submissions is the 2<sup>nd</sup> Thursday each month.

### Stories and Pictures:

The newsletter includes articles on recent events, displays, and car shows our members have attended or for sale vehicles and items. We welcome your articles and pictures in the AACA newsletter. There are calendar updates; please make note. We especially enjoy pictures of your car projects. Please send or give your pictures and articles to Denny ([OestreichD@AOL.com](mailto:OestreichD@AOL.com)) or Annie at: [anniesss@gmail.com](mailto:anniesss@gmail.com).

### Corrections:

We make corrections to the online newsletter. If you send corrections to Denny, I will make the changes and update the website copy which you download and reprint. If you want to reprint the newsletter the latest PDF version is on our web page at: <http://www.ncregionaaca.com/triangle/>.

## 4. President's Corner

### By Jim Gill

I said it last month and I will say it again, it is hard to believe that another month has passed so quickly. No time for boredom. This month flew by because we were so busy getting things organized for Regional Show responsibilities. Most Chairpersons responsibilities are filled but there still remains some requiring your attention. Later in the Newsletter Denny has posted the entire chart. Please don't ignore this because we need your help. Keep in mind this is a Triangle Chapter Club activity. We will be showcasing our capabilities.

Show flyers are rolling off the presses. Trophy components have arrived at my front door. Sponsors have already lined up including at least a dozen new sponsors. New banner structures are being built in Bob's garage. Poster design matching the mall requirements are nearly complete. I expect this list will continue to grow.

Our region's first show of year was held in Wilmington with details following. It was a very well attended show by both AACA cars and open cars. A good selection of Model T's with a couple of guys indicating planned attendance at our show.

Unfortunately, my efforts to get the Model T pickup painted has come to a screeching halt. It was replaced by woodworking equipment required for this month's projects.

## 6. Treasurer's Updates

### By Marv Gage

#### Dues

2017 AACA dues for the Triangle Chapter \$10, the NC Region \$15 and AACA National \$35, a total of \$60 were due by December 31. If you have not paid your dues and would like to have the Club submit your dues to National and NC Region, Marv will bundle the dues and send a club check to each organization. You can send Marv Gage one check for \$60 and he will split up the payments. Contact Marv Gage for questions at [mkgage@aol.com](mailto:mkgage@aol.com) or [919-846-4708](tel:919-846-4708).

#### Club Shirts

Marv Gage has a good supply of Club polo shirts with a Triangle Chapter logo. We have men's gray shirts without pockets in a polyester material. These are good for the Take A-Part-T team, since they are cooler. They are \$25 in medium, large and X-large sizes. We also have the traditional men's Navy Blue cotton and polyester blend with pockets in medium, large and X-large for \$20. We have the same Navy Blue shirts without pockets in large and X-large for \$20. We also have Ladies Navy Blue in Medium and Large for \$20. If you ordered a shirt or would like a shirt please contact Marv Gage at the next dinner meeting or he can be reached at either [mkgage@aol.com](mailto:mkgage@aol.com) or [919-846-4708](tel:919-846-4708).

## 8. Triangle Chapter Meeting Notes February 16, 2017

**By Dean Tryon**

**Action Items and Upcoming Events:** *(details are in the newsletters)*

1. 4/1 – Chili Cook-off will be at Joel Hoffman's house in Cary.
2. 4/9 is a show in Durham at South Point to benefit Habitat. Jim Gill has details.
3. 5/6 – Our annual spring show will be held at the Triangle Town enter on Capital Blvd near I- 540. It will be in the general area of Barnes and Noble book store. We will have two shows in one – a Region show for members and a local show for others. Riley Reiner and George Ashley are organizing. Marv and Tony Hantjis are doing the show field layout, Dean is doing registration.
4. 7/16 - Ice cream social at the Reiner's
5. 12/3 - Christmas party at the Stag Club in Raleigh.

**General discussion:**

1. Jim Gill opened the meeting and introduced new members (from Winston Salem) Larry and Wendy Jenkins. Tom Pruitt is a returning member who expects to get more active on his car. One guest of Annie Goldman was Bobbie Moore.
  2. Marv Gage reported that membership is at 88 families and the treasury has \$5,540. A supply of new Chapter shirts is available including a new gray material for hot weather.
  3. Dan Fuccella has programs lined up for March (Joe Parsons discussing the history of Studebaker and Mercedes) and the April meeting will be devoted to the May show planning.
  4. Considerable discussion was held on the rift/split of AACA headquarters/Library and the museum. The issue is too involved to include here, refer to the letters from the museum and AACA. There is also a letter drafted by Jack Harris, past president of the NC Region expressing AACA's concern on how the museum is being operated. Copies are available if you are interested (from Dean or Jim Aldrich))
  5. Jim Gill has a proposed unique trophy design for the May show. Banner stands are being designed for the sponsors banners that must be free standing at our new location.
  6. Jean Soehnlein is preparing the 2017 Member Guides – send her your updated info soon if needed.
  7. The Take Apart T storage container has been moved. Now we need to get the car and other material moved into it.
  8. Fred Harley received an award at the AACA Annual meeting in Feb – the Edgar Rohr award for 1920 or earlier Buicks.
  9. Letters of Judging commendation were given to Mike Petersen and Bob Safrit by National and presented by Jim Gill.
  10. Several members attended the funeral of Herb Oaks in Jacksonville, NC. Herb was a long time NC Region member and officer plus past president of the National AACA.
  11. The program was a presentation by Mike Petersen on the various aspects of judging.
- (PS – the tour to the Leith collection organized by Annie Goldman on Sat 2/19 was a huge success with about 30 cars and 50 people.)

## 9. NC Region Spring Tour

**By Denny Oestreich**

As a member of the Triangle Chapter you are also a member of the NC Region, which is the association of local AACA Chapters in North Carolina. The NC Region coordinates the events of the NC Region Chapters to ensure there are no conflicting local shows or activities. Additionally the NC Region hosts four events annually to bring NC Region members together. The four events are the Annual meeting in February, a Spring Tour in April, the Spring Meet in May and the Fall Meet in October. You may have already participated in the February Annual meeting with the Judging Schools and the seminars.

The next NC Region event you should plan to attend is the NC Region Spring Tour. In the past years we have toured to the Kinston Museum and to the Daniel Boone Village in Hillsborough. This year the NC Region will

cruise to Historic Downtown Wilson, NC and visit the new Vollis Simpson Whirligig Park & Museum (VSWP&M) being developed. There are currently 18 Whirligigs in place of the 30 planned for the park. Wilson will welcome us and provide adjacent parking to view the Whirligigs. To see more about the park

The Triangle Chapter will organize a chapter group tour to Wilson, which is a one hour 50 mile drive. We plan to enjoy the park, visit downtown Wilson and return to the Raleigh area. To see more about the Park and the tour see the NC Region Web site at: <http://ncregionaaca.com/region/>

## 10. Triangle Recognizes National Judges

### By Annie Goldman

Mike Peterson and Bob Safrit have been AACA National Judges for many years, with Mike receiving 275 judging credits and Bob with 200 credits. The Chapter recognized their dedication and accomplishments by giving them each a letter and certificate at the February meeting.

## **11. Triangle Chapter Tours The Leith Collection**

### **By Annie Goldman**

On Saturday, February 18, approximately 50 chapter members, friends and family cruised to Carolina Classic Cars in Zebulon on this beautiful Saturday! Most of the members met up at Lowes Home Improvement in Knightdale and drove the final 8 miles together. Another dozen or so members met us at the collection. After catching up with each other, we made our way inside, thanks to Michael, Mr. Leith's right-hand-man. We were greeted by a beautifully restored Chrysler, his original carousel and about 139 other fantastic vehicles! We spent about 2 hours walking the aisles, admiring, asking questions... even a few members went so far as to inquire about a possible sale! I even found the Impala Station wagon I drooled over at the most recent auction.

Slowly members started to leave for home, but most of us met up again at McLean's Old Tyme Cafe just down the road. I say most of us, because McLean's turned out to be set back from the road and a few people missed the turn - Sorry!!!

While they weren't ready for us, they were very accommodating and we had fantastic wait staff bring us out delicious meals. If you've never been to McLean's, put it on your list of places to go when you are in the Zebulon area.

Thank you to Michael and Mr. Leith for allowing us to come spend a few hours checking out the cars, trucks and carousel. It was the perfect afternoon!

## 12. AACA Winter Meet Ocala, FL

**By Annie Goldman**

We. Were. Not. Disappointed!!! We walked down a short hallway, lined with cabinets and trophies and plaques and patches and the room opened up to reveal over 200 cars, inside, on carpet. I also have to note that along with the car collection, Mr Schmidt, owner of NPD,

has the largest collection of Kodak cameras, film, advertising, memorabilia and you name it in the country! The cabinets wound around the wall and down the side and were filled to capacity!!! Unreal!

Now back to the cars... Did I mention there were over 200 of them? Everything from a 19-teens White to a 2016 Mustang GT350. Many cars had less than 10,000 miles on them. Even more were never registered. Many were never even prepped for delivery! He even had a few prototype cars and trucks that never made production! Wow! 2 hours wasn't enough time, but we were thrilled to be able to view them when we did. Since we had our dessert at NPD (there was also an ice cream social), Joel and I went out to dinner with his parents and Jack and Beth Agayoff and chatted into the late night hours.

Saturday morning, I attended Judge's Breakfast, learned what cars and trucks I would be judging and took a Continuing Judges Education (CJE) on Tires. Then off to the show fields to earn my chip. The show field was huge, with lots of space between most vehicles. We weren't disappointed by the selection in Ocala FL. (View my photos to see most of the vehicles in attendance.) The quality of vehicles was top-notch, as always, and the weather was a perfect blue sky day (after it rained around 8.30am). I judged an early Bronco, Little Red Express, Buick GNX, Buick T-Type and a Cutlass 4-4-2. (One car didn't show up to be judged.) I had a great team and with the small amount of cars, we were done quickly. I was then able to catch up to Joel and his parents for lunch with John and Mary Gilliam, who were vacationing in nearby St Pete and came by for the show.

I spent the rest of the afternoon walking around, handing out fliers for the NC Region meet and got to talk to a lot of people about our event. Be sure to thank them when they come to our show!

Saturday night, we went out for dinner with John and Mary and then we stayed briefly for the Awards Ceremony, where I received my Repeat HPOF chip. Sunday morning, we said our goodbyes and headed home, talking about and reminiscing about our great week away.

## 13. Raleigh International Auto Show

### By Denny Oestreich

In February every year the North Carolina International Auto Expo is held at the NC State Fairgrounds. This year was the diamond anniversary display of the event with the new latest cars, trucks and SUV's on display - over 150,000 square feet! Ford, Chevy, Toyota, Buick, GMC, Cadillac, Mazda, Kia, Hyundai, Chrysler, Jeep, Dodge, Ram, Aston Martin, Fiat, Maserati, Ferrari, Lexus, Nissan, Subaru, Lincoln, Mini Cooper, and Volvo. The new car display is a chance to get into every one of these vehicles and check out the fit and features.

Additionally, there is a Classic Car display inside the Dorton Arena. There were 85 cars in the arena for the spectators to look at all weekend! The obvious difference between the Classic cars in the Dorton Arena and the new car displays was the signs. The new cars invited you to get in and enjoy, but the classic car signs warned "Look, but do not touch". Triangle members Larry Sayre (58 Impala), Dan Stamm (62 Corvair), and I (57 Chevy) displayed cars in the Dorton Arena along with friends from other car clubs. We answered many interesting questions. Dan surprised many more people with the Corvair engine in the rear and a Corvair history display in front.

Low Price of the Show - 2017 Spark \$13,875

My son Rick and I like to go to this show each year to see which cars fit. Rick is '6 "5 so it is a good test to see if there is enough leg room in the new models. Rick has been known to fold into smaller cars since his college car was a Honda Civic and he has owned two later model Corvettes. This year's fit test results were somewhat surprising. The Lexus models were equipped with large obtrusive center consoles and close fitting dashes. They reminded us of airline seats with the tray table down. We were able to get into the seats of at least one of every manufacturer's model on display. There were several Hyundai, Subaru, and Mazda cross-over models that we could get into without a customary bump on the head. We checked out the trucks and noticed the new Chevy tailgate has a spring loaded feature that aids in lowering and raising the tail gate. The Interior of the 2017 Chevy "Work Truck" remains the same as my 2014 Chevy Truck except for a much larger radio screen with backup display. The Cadillac Escalade SUV was priced at \$95,000. The quality leather seats and the new car smell are always intoxicating to car guys. We even tried out the low cost Chevy Bolt EV, Chevy Spark, and Spark ATIV, very small but least expensive.

## 14. Cape Fear Chapter Show March 4, 2017

### By Annie Goldman

I think this can be considered the first car show of the 2017 season! And like last year, the sun was shining, the cars were out in force and the spectators were having a great time!

I drove out to Wilmington with Jim Gill as my Burb is having electrical issues - again. We enjoyed a nice easy ride into town and immediately went to work saying our hellos to NC Region members, Cape Fear members and we even found Riley Reiner and his family (but without his T) and Warren Daniels and his sister Paulette were there with Warren's Safari. Kudos to Warren for being the only Chapter member to successfully get his car out to the show! After our hello's, Jim and I got to business handing out fliers for our Region show in May and informing everyone of how great our show is going to be - cause it is! After "work", we took another trip around to actually enjoy the cars and trucks at the event. They had a fantastic turnout and again, overflowed into the adjoining parking lot. The judges certainly had their hands full giving out awards. Congratulations to Warren won a Best in Class award.

## 15. Tool Wizard Contest

wheels.

**February.** The “Tool Wizard of the Month” for February is Bob Gault. Bob identified this tool submitted by Dean Tryon as a tire inflator. The tire inflator uses engine compression to fill a tire with air. You remove a spark plug and use compression from the engine to fill the tire with air. Essentially, you use one of the cylinders as an air compressor. You do not pump your tires full of your fuel air mixture. The engine's piston motion, in and out, pulls and pushes a smaller piston inside of the part that screws into the spark plug hole and it has vents on the side to take in fresh air and pump it into your tire. No danger of your tire being filled with a fuel-air mixture and exploding. The handle enables the user to tighten the tool in a spark plug hole and the hose is long enough to reach any of the

**March.** This month's tool challenge is presented, in turn, by Bob Gault who provided this tool as the unidentified tool that was made specifically for vehicle maintenance. Can you identify the tool and how it is used? Have you seen the tool before? If you have an answer, send an Email to Bob Gault at [rgault@nc.rr.com](mailto:rgault@nc.rr.com) or phone him at 919-524-0384. The first correct answer will be declared Tool Wizard for March.

## 16. For Sale

### By Bernie Bogdon

I have a '49 Desoto Woody wagon for sale. Only recently have I gotten my act together and with the help of a good mechanic, the car is now on the road with a tune-up, new brakes, new tires, rebuilt carb system, refurbished radiator and a sundry other things. It is not a show car and has minor modifications and the interior fabric needs some help. The car motors fine and has Fluid Drive. It has the original engine with some rebuilding completed years ago. The wood is in great shape, but does need refinishing. It has been garage-kept. The car is complete along with the third seat. Before the mechanical improvements it was appraised and since that time I've put in about \$7K. I'm now asking \$37,500. If

you are not interested perhaps you may know someone who is, please pass this along.

Thanks, Bernie Bogdon (919) 850-0739
