3. President's Corner

By Jim Gill

Wow, what a month. Once again the busy bees worked to complete all the necessary arrangements to present the club as a showcase organizer for the Regional Show. Amazingly, registration for the AACA show came within three cars of meeting our goal of eighty vehicles. Details of each segment of the show will be presented later.

My main point today is stressing the many thanks to all those who helped make this show a success and one we will all remember. Thanks go out to those that worked behind the scenes prior to the show and those that just showed up to help during the show. Mall management came out and stressed to both Riley and myself what a well-tuned crowd we had which resulted into activity within the mall they have not seen in a while. We were asked to consider a follow-up show next year. In the eyes of the regional management group it was a success for both the board meeting and car show. Thanks to all!

4. Editors' Notes

Editors: Annie Goldman and Denny Oestreich

Happy May! Time for car show season is upon us. The beautiful spring weather is here and we want to see the members of the Triangle Chapter of the AACA out and about!

Printing help

If you have trouble printing our newsletter from Email, please contact Denny at: OestreichD@AOL.com. I can send you a word document or imbed it in an Email.

Deadlines:

The monthly newsletter is published a week before each meeting. Our meetings are on the 3rd Thursday each month (We do not meet in July or August, but we still publish). The deadline for article submissions is the 2nd Thursday each month. We need and love your articles. Send them to us. Tell us how you got your car.

Stories and Pictures:

The newsletter includes articles on recent events, displays, and car shows our members have attended or for sale vehicles and items. We welcome your articles and pictures in the AACA newsletter. There are calendar updates; please make note. We especially enjoy pictures of your car projects. Please send or give your pictures and articles to Denny (OestreichD@AOL.com) or Annie at: anniesss@gmail.com.

7. Triangle Chapter Meeting Notes March 16, 2017

By Dean Tryon

Action Items and Upcoming Events: *(details are in the newsletters)*

1. 5/6 – Our annual spring show will be held at the Triangle Town enter on Capital Blvd near I- 540. It will be in the general area of Barnes and Noble book store. We will have two shows in one – a Region show for members and a local show for others. Riley Reiner and George Ashley are organizing. Marv Gage and Tony Hantjjs are doing the show field layout, Dean is doing registration, Joel Hoffman is contributing his enclosed trailer for our hospitality room.
A sign up sheet is in the last newsletter and was circulated at the meeting. There are jobs for all our members, please sign up where you feel comfortable.
We need several members to help move the “T” into the Triangle Town Center mall on 4/27 where it will be on display for a week. Then we need to move it to the show field on 5/6.
Our team of sponsor solicitors have done a fantastic with 36 sponsors and over \$5000 so far.
2. Future shows you might find of interest include:
 - a. 5/13 – Wake Forest Garden Club show, 10-2
 - b. 5/13 – White Plains Church in Cary
 - c. 5/28-29 – HCCA tour organized by Fred Harley. Host holte is the Hampton in Holly Springs.
 - d. 5/20 – Cary show “Wheels on Academy”. Possible T show if we have a crew.
 - e. 5/20-22 – Good Guys show
3. 6/8 - North Hills mall is opening a time capsule from 1967 and has requested two to five 1967 cars to be on display for the occasion. Do you have one? The time is 9am to noon. More details are in a separate e-mail sent on 3/17.
4. 7/16 - Ice cream social at the Reiner’s
5. 12/3 - Christmas party at the Stag Club in Raleigh.

General discussion:

1. Jim Gill opened the meeting and introduced new members Carl and Linda Worstell and guests including Annie Goldman’s sister. Dan Morton has returned to our chapter.
2. Marv Gage reported that membership is up to 94 families and the treasury is sufficient (is fluid with show expenses and sponsors money coming in).
3. The Southern Eastern Spring Meet had 19 chapter members present.
4. The WRAL “Tarheel Traveler” had a 30 minute special on old cars. Dan and Jean Fuccella were featured. Check it out on the WRAL web site.
5. Jim Gill showed our unique car show trophy and they are complete thanks to a work session recently. Banner stands are also done for the sponsor’s banners that are free standing. We had anonymous donations totally \$100 from 2 participants.
6. Floyd Barnes has a trailer for sale, \$3000, 1996 Shadow American.
7. The meeting was led by Riley Reiner reviewing plans for the show, soliciting volunteers and answering questions. After a reminder e-mail to all, all slots are filled. We are ready.

8. Triangle on a Whirligig Tour – April 22, 2017

By Denny Oestreich

The third Annual NC Region Spring Cruise was planned by John Allred, NC Region Vice President, on April 22, 2017. There were 29 antique cars and about 40 NC Region members that came from across from the various Chapters in NC to meet in Historic Downtown Wilson, NC. There were six vehicles from the Triangle Chapter. We met at the Vollis Simpson Whirligig Park & Museum (VSWP&M). It was a nice day and strong breeze made the 22 whirligigs in park operate for our enjoyment.

Susan Kellum, Wilson's Downtown Marketing & Communications Coordinator, met us and presented each NC Region member with a goody bag with information about Wilson and the new Park. The City of Wilson had blocked off the streets for our parking. We also met Tom Curran who operates the 217 Brew Works across the street from the park. Mr. Curran gave us the history of the development of the park and described the plans to build a shelter for a farmers market and stage for musical performances as a part of the park. They expect the Park to be completed in the fall. Mel Bowen described the moving and restoration of the whirligigs. He indicated there is much work involved in getting the whirligigs ready for display and operation. He described the preparation work as much like car restoration with cleaning and repainting required. Also many of the moving parts are repurposed car parts such as axles and hubs. The wind is much like a rough road and causes some damage as it stresses the moving parts. There is a constant need for maintenance.

There are 30 Whirligigs planned for the park. Twenty two are in place and six are down the street at the restoration center. Two other whirligigs are on loan to the state of North Carolina and are located on Hwy 95 at the Virginia and South Carolina borders. Look for them next time you go north or south on 95.

The park is being configured with a shelter for a future farmers market and a stage for summer concerts. They expect the park to be completed by November 2017 in time for a city wide celebration.

9. NC Region Spring Meet – A Major Success

By Riley Reiner

NC Region Spring Meet Hosted by the Triangle Chapter – May 6, 2017

Thanks to all the hard work from Triangle Chapter members, the Triangle Town Show was a major success. We have heard in writing from Bill Cox, Region President and Randy Stone, Region Chief Judge that the organization, layout, operation of the meet, trophies and hospitality was first class. We had a total of 103 cars

on the field between the AACA and the "Open" show. Dean reports a total of 11 no-shows.

The weather was threatening all day, but cleared when the meet was over. The temperature was just right for a show on asphalt. The Take A-Part T team put out a respectable 6 minutes and 40 seconds assembly.

Trophies were very special. Jim Gill and Annie Goldman supplied design elements. Hours of work went into the individual parts with other club members having an assembly party at Jim's home.

Warren Daniels, Joe Parsons and Annie Goldman significantly increased finances. Getting donations is hard work. These three plus Marv Gage insured that the treasury would remain solvent after the meet. Marv will provide a final accounting after all bills are submitted and cleared.

The mall management and security expressed total satisfaction with the show. General organization and management really pleased them. Ms. Jennifer Jones, Marketing Director, took the time to walk the show field with her son early in the day. Her camera took numerous pictures so we may see our cars again in some future press release.

I would like to express my personal thanks to every club member who assisted with setup, day of show activities and cleanup. THANK YOU!

Many members took on big projects. Bob Gault built the sponsor standards and the club banner posts. George Ashley was meet assistant chairman and quietly handled a plethora of duties including getting our "foot in the door" with Jennifer Jones, rebuilding the Take Apart T for safety issues and handling the Take Apart T in and out of the mall.

George walked the show field asking how the Open Show people heard about our meet. The vast majority said they Googled us. We have Denny Oestreich to thank for keeping our web site current and interesting.

Our V.P., Dan Fuccella continued his involvement with the Youth Judging Program. The children seemed pleased with their hats, T-shirts, ID lanyards and judging sheets supplied by Haggerty Insurance. Dan enjoys helping the young people understand our hobby.

Dean Tryon did his usual outstanding job of handling registrations for both shows. Dean and Randy Stone stayed in close contact to keep the AACA cars in their proper classes.

This year, Joel Hoffman brought his trailer to the show field to serve as our hospitality trailer to store the many food items brought by the members. The awning on the outside of the trailer was a perfect cover for the food tables. Jean Soehnlein, Demi Goldman, and others kept the tables well stocked throughout the day. Our guests enjoyed the hospitality.

I have been active in the Chapter and the NC Region since 1972. I cannot remember a better show presented by Triangle Chapter.

THANKS AGAIN!

Riley Reiner, Meet Chairman

10. NC Region Spring Meet!

By Annie Goldman

We did it! We had a wonderful, successful event. But it rained in the morning, on and off for a few hours, and sadly, we didn't have as many entrants as we wanted. However, we had 77 pre-registered cars for the AACA NC Region Meet and 24 vehicles for the open show. Considering the weather, we did good!

Triangle Chapter members, while other members directed traffic and parked the vehicles in their designated car show parking areas.

Members arrived at 7am Saturday, May 6th to finish setting up for the day. (21 members set up the tents, signs, tables, and trailer on Friday.) We unloaded trucks, laid out the trophies, literature, registration packets, goody bags. The Raffle Table was set up with 13 spectacular items up for bid, as well as the 50/50 raffles. LOTS of food, snacks and drinks were brought in and set up under the awning of Joel Hoffman's enclosed trailer for participants and members to snack on throughout the day. As usual, we had a great selection of items to eat and drink.

As the NC Region Board Members held their meeting inside the mall, the participant cars and trucks started driving in a few at a time to register, receive their show packets and goody bags from

day at an AACA show.

Once the cars were parked the owners and their friends and family walked around, caught up with others, had a snack and bought raffles & 50/50 tickets and the winners were read off right before the trophy ceremony.

At 11am, Judges were gathered for their meeting and to get their team and vehicle assignments, and then were sent out to do their job. There were quite a few beautiful vehicles on both sides of the show field, giving the judges a real workout! Dan Fuccella was on hand to teach any children who were at the show what it takes to be an AACA show judge. He taught them the ins-and-outs, what to look for, how to deduct points, and what to "forgive". In our cars, dirt on the paint, etc. is forgiven on a show

At 1.45, the Take-A-Part T team got together for the first demonstration of 2017 and we did GOOD! Riley and George Ashley did a little work on the T to square it up and it made a big difference! Then Jim Aldridge, ever the Union Representative, interrupted Riley's spiel to find out about something or other. But in the end, if I remember correctly, Les Tryon timed us at 6 min 45 sec. That time is better than any of the demos we did in 2016!

Since all of the judging and tallying was completed, we were able to get the raffle and 50/50 prizes drawn a bit earlier, so we could award all of the trophies to the winners. If you didn't make it to the show, you missed out on a Majestic Car Care Kit, Stoner Car Care Kit, Ford pickup puzzle, case of oil, woman's purse, set of 4 children's books, Hurricanes signed hockey puck, NPD gift card, AutoZone Gift Card, Rock auto gift card, Nerium eye cream, gourmet cookies and a bag of misc. items including t-shirts, bags, hat, office supplies, Starbucks coffee and more! And the 50/50 prize was \$197!!! Not bad at all!

We started by awarding the Open Car show winners with their awards - Here are your Triangle Chapter Winners:

11. Advance Auto Show April 22, 2017

By Joe Parsons

Triangle members participated in the Advance Auto Saturday Fun In the Sun Car show on Millbrook Rd. in Raleigh. I attended and entered as well as Marv Gage. Bob Gault was also at the show as well, but did not enter his Corvette. Jack Agayoff was there to pass out flyers for our upcoming show May 6th. Marv Gage won Ladies choice at the car show.

A marketing video crew working for Advance Auto shot videos of both Marv's and my cars for a marketing program to be aired in near future.

See the pictures below.

12. Bethesda Baptist Church Car & Bike Show - April 16

By Rob VanDewoestine

The Bethesda Baptist Church is located on South Miami Boulevard just off US 70 in Durham. Their third annual show was held on a lovely April 16th Saturday and attracted 109 vehicles. Many of the attendees brought cars that had been modified to various degrees, but there was also a sprinkling of very good original cars. The highlight for me was a very red 1957 Chrysler New Yorker with only 25,000 miles. Chrysler built 34,600 New Yorkers in 1957 as their top model. However, rust problems and big fins going out of style means that very few of them are left. With a 392 cubic inch hemi engine turning out 325 HP, these cars had performance as well as style.

George Woods brought a very nice 1946 Ford sedan and Ron Tanciar a good looking 1957 T-Bird.

There were also some very well done modified cars, several food trucks, games for the kids along with numerous door prizes. The event is a fundraiser for the church's mission activities in Central America. It was well organized with a generous number of awards and plenty of parking spaces. The awards were handled efficiently and everything was completed by 1:30.

13. Tool Wizard Contest

By Denny Oestreich

April

The April Tool Wizard is Ted Brooks. He identified the homemade tool I (Denny) made to remove the nut from the yoke on the differential of an early Chevrolet. . The four bolts attach to the yoke it and the stake gives you leverage to hold the yoke from turning as you remove the yoke. Ted replied "It's your home made version of tool #2637, found on page 4-9 of the '57 Chevy shop manual. It holds the driveshaft yoke steady while you loosen/tighten the nut on the pinion gear." What gave it away? My excessive reading of shop manuals. I knew right off what it was and why you need it - even before I'd finished reading the paragraph "I will be crushed if you do not guess this one, and that's no yoke" – that's WAAAAAY too easy....."

May Tool Challenge

See the two pictures below.

Ted Brooks says, "No, this is not the base of a Lunar Landing Module.:) Yes, it's an ordinary puller with 3 bolts attached. Note the notches cut into the heads of the bolts." Sometimes you need to improvise. What was this tool's special purpose? Call Ted Brooks (919-851-0418) if you think you have the answer.

14. Apex AutoZone Car Show, May 7th

By Annie Goldman

What do you do the day after you host a car show? Why, you ATTEND another car show so you can relax and watch other people work! That's what some of us did anyway.

Of course, the day was beautiful, following our rainy morning on Saturday, so the turnout was great! There was an amazing assortment of vehicles out for the day. Along with Joel and myself, Jim Gill, Henry & Tracy Burgwyn, Floyd Barnes and Bill Werner attended the show located at the parking lots at and next to Apex AutoZone on Highway 55. I received a Top 25 1986 & newer plaque for my 1990 454SS, and Henry won a Top 5 and Floyd won a Top 75 1986 & older plaques. AutoZone also gave out some great raffle prizes and their 50/50 topped out at \$411!!!
