1. Events Calendar

Many fall car activities are replanned as groups try to get a car show planned this year. We hope you have gotten your vaccinations so that we can get back to near normal for these events. Listed in this section are some of the fall events planned.

Triangle 2021 Events Calendar

November 11, 2021 Triangle Chapter Meeting

Event: General Meeting of the Triangle Chapter of AACA

Meeting Date: November 11, 2021

Meeting Times:

5:45pm to 6:45pm: Dinner and social time

6:45pm to 7:15pm: Business meeting

7:15pm to 8:00pm: Presentation including Q & A

8:00pm to 8:15pm: General Meeting wrap-up and adjournment

Location: RallyPoint Sport Grill (private room) 837 Bass Pro Lane, Cary, NC 27513, Bass Pro Shopping Center. Note: We anticipate having to limit in-person participation to the first 25 members that sign up for the dinner meeting. To accommodate additional members, the meeting will also be aired online through our usual Zoom link:

<https://us04web.zoom.us/j/3547838874> starting at 6:30pm (no password required).

Presentation: Zoe Carmichael is a fairly new, but very active member of AACA, the NC Region, and the Triangle Chapter. This fall, Zoe was accepted into the prestigious Automotive Restoration Technology Program at McPherson College in McPherson, KS. At the November 11, 2021 General Membership meeting of the Triangle Chapter, Zoe will be giving a presentation on the Automotive Restoration program and sharing a few highlights of her Fall 2021 semester. Please join us either at RallyPoint or via Zoom for this interesting look at what is purported to be the only bachelor's degree program of its kind.

November 13, 2021 Triangle Chick Fil-A Car Display. See Section 4 Below.

December 5, 2021 Triangle Holiday Party.

Please join us as Kimberley Hess shares some of the quilts she has made and why being married to a car guy makes quilting fun.

NC Region 2021 Calendar Events Planned

Below are the NC Region events which have been rescheduled.

Date **Event/Location**

- November 13 - Morehead City Chapter Show – Morehead City NC

- See the last section of this Newsletter for a list of NC Region 2022 activities.

AACA National Events Calendar

The AACA National Shows are being scheduled for 2022. The 2022 events are listed on the AACA Website at: https://aaca.org/Meets/aaca_calendar.html

2. President's Message

By Mike Hess

Hershey 2021 is in the books. I find that I cannot walk flea markets (they call them swap meets in California) like I used to. I spent about 4 hours Friday walking in the Chocolate field. Saw interesting stuff but bought nothing. Chatted with Dean and Les Tryon at their space and at about 2pm I had to call my wife to come get me. I could not take another step. My iPhone indicated I walked over 6 miles. On Saturday I was pleased to find out I was assigned my first choice for judging. Class 36C, Factory High Performance, Chrysler/Dodge/Plymouth, 1955-1969. As I was the youngest on the judging team, I volunteered to do Chassis. I was still hurting from Friday, but I managed, and we were done early with only eight cars to judge.

I did Docent and other volunteer work at The California Automobile Museum in Sacramento before moving to North Carolina. The Museum arranges yearly field trips to automotive related events/attractions around the

country as a fund raiser. This year it was Philadelphia and Hershey. I saw a tour bus pull up to the new headquarters building and heard the driver say, "California Automobile Museum". I got to see and talk to some of my old friends from the Museum. How cool is that?

We have a couple Triangle Chapter events to close out the year. The Chick-fil-A display is November 13 and the Holiday party on December 5. Unless the weather is unusually warm, I think car shows and runs to Cars and Coffee are over for me until next spring. I have a couple winter projects for the GTX and the Corvette dealing with getting in and under the dash. Not one of my most fun tasks to do and I have been putting it off too long.

Wishing you and yours a Happy Thanksgiving,
Mike

3. Editor's Observations and Notes

By Denny Oestreich

1. We are into the fall of 2021. The trees are shedding their leaves so that we can get out the rakes and fire up the leaf blowers for the noisy fall leaf roundup. The first frost is just around the corner. It's a good time to get your antique vehicle out for a cool ride in the country. There are still several fall car shows and events to attend. Check out the Newsletter for the recent and future events.
2. Look over the upcoming events for the Triangle Chapter, the NC Region, and AACA National. The Triangle Chapter has two more events remaining in 2021, the Chick Fil-A display on November 13 and the Holiday Party on December 5. See the detail below in the newsletter.
3. Remember to RSVP to attend our next regular meeting or watch on Zoom November 12, 2021.
4. Take Apart T Event for the Five Points Community Centennial Celebration. They closed off the street. The Triangle team performed two Take Apart T demonstrations and provided cars for their car display. They had several musical performances on stage. Several shop owners in the area were open and giving away cupcakes, flowers, and water bottles. Many families from the Five Points neighborhood looked over the display cars and watched the Take Apart-T demonstration. I think we set a record for the number of kids of all ages who got into the Model T to have their picture taken. See Riley's story in this issue. Thanks, Riley, for arranging this event.
5. The engine for my white 57 Chevy is now back in the car. However, I have not started it yet. I need to add oil, antifreeze, and set the timing before I start it. The shop recommended I use break-in oil and run the engine at 2000 RPM for 15 minutes for break in. I have identified two things that were wrong; the carburetor top was loose, and the manual choke cable was loose allowing the choke to close by itself.
6. The Triangle Chapter is a volunteer organization with talented members. The November meeting includes election of officers for 2022. Jim Gill, Ex-Officio, has gathered candidates for all offices except one, the News Correspondent to the NC Region and National Publications. Per our by-laws this is one of the four board positions, President, Vice President, Secretary/Treasurer, and News Correspondent, that is currently open. The major duty of this position is to provide a bimonthly report of Triangle Chapter activities for the NC Region Newsletter. If you can help our Chapter to fulfill this position, please contact Jim Gill.
7. The Newsletter editor position will also be open starting in January. I have committed to preparing the Triangle Chapter newsletter thru December of 2021. If you have an article you would like me to include please send it or call me with the details. After this November issue I will be doing only one more issue, December. Here is an opportunity for someone to take over the Editor role starting in January. I know the Triangle Chapter will be grateful for your efforts. Also, this position pays \$100 per newsletter edition. It

involves preparing and publishing the newsletter each month. The format and tools are your choice. The newsletter does not have to be as large as it is today. Please consider taking on this role.

4. Chic Fil-A Display November 13, 2021

Jack Agayoff has arranged with Chick Fil-A for us to conduct our annual November display. Our display will now be 9:30-3 on Saturday, November 13 at the Capital Crossing store at 4621 Capital Blvd. Since we were there last in 2019 they have reconstructed the building and parking area. They have not yet opened their dining room, so dress according to the weather. This is somewhere around the 15th or 20th year we have had this event. We hope as many as possible can show up for this "no show/no shine" event.

5. Annual Holiday Party December 5, 2021

Triangle Chapter AACA Annual Holiday Party

Sunday, December 5th, 2021

Location: The Stag Club, 8001 Ray Road, Raleigh, NC
Off of Creedmoor Road, take Strickland Road, the driveway for the Club is one mile south on the right; or take Lynn Road and the Club is one mile north on the left. Look for Candy Canes and sign.

6:00 PM Social, snacks
6:30 PM Dinner, buffet style
7:30 PM Gift Exchange

Dinner: *The dinner will be catered by Piper's Tavern of Raleigh. The cost is \$15.00 per person. Please make your reservations by November 22nd by contacting Jean Soehnlein at 919-906-1771 or moosemail@bellsouth.net how many are attending and send your check to our Treasurer, Ken Powell at 4513 Wood Valley Drive, Raleigh, NC 27613.*

The Menu will be Chicken Cordon Bleu and Grilled Salmon. The sides will be roasted red skin potatoes, Piper's Tavern special green beans, sweet and unsweet tea, roll and salad. Desserts will be provided by Triangle Chapter.

Gift Exchange: *We will have a gift exchange. The gift (one per couple) will be a wrapped item that is Edible! This can be cake, cookies, nuts, candy (always a favorite) or a beverage such as special coffee, cocoa or tea. It should be in the \$10.00+ value range and wrapped. Keeper of the Pink Elephant -- don't forget to disguise it!*

Toys for Tots: *Let's give some cheer to a needy child. If you would like to participate, please bring an unwrapped toy for a boy or girl. There will be a box to put them in. The toys will be taken to the Marines in Wake Forest. One unwrapped toy per couple. Riley Reiner has volunteered to deliver them to the Marines.*

COVID - *We have made the following changes: To allow for more space when eating: tables that seat eight (8) will seat (6) and the tables for six (6) will seat (4). Social time - Soft drinks will be available in small individual cans and water will be in the small plastic bottles (6 oz.). Snacks will be in cupcake size containers. This will allow for less contact when drinks and snacks are obtained. **When you are not eating/drinking, please wear a mask!!!***

6. Triangle Chapter Meeting Notes 10-14-2021

By Dean Tryon

- I. The Chapter meeting was held in person at Rally Point and via ZOOM.. 14 members were present and about 9 or more on ZOOM. New member Courtney Johnston joined us in person.
- II. Reports – Ken Powell reports the treasury is good and we have and 83 member families. Three new members are joining - Mike Zito, Shayne O'Neil, and Courtney Johnston.
- III. Old Business
 - a) The newsletter editor's job is still open. Denny will do it thru this year but is stopping after many years. Thanks Denny Remember, we pay \$100/issue for the editor work. We also need someone to do the monthly input for the NC Region newsletter.
- IV. New Business
 - b) 2022 Officers – Jim Gill chairs the committee to select a slate of officers for next year. All current officers have agreed to continue next year. Thanks Jim and all.
 - c) Take-A-Part T demo planned for Oct 30 for the 100th anniversary of the Hayes Barton community at 5 Points in Raleigh on Fairview Rd. Two shows planned at 10:30 & 1:30, plus plenty of room for car displays at the Wells Fargo Bank. Riley Reiner is contact (919-816-6903) if you can help or display.
 - d) NC Region Tour will be Oct 30 in Burlington.
 - e) Nov 13 – Our annual display at Chick-Fil-A on Capital Blvd. 9:30-3pm. Jack Agayoff is coordinating (919-846-8570)
 - f) Dec 5 – Our annual Christmas party was reviewed and we agreed to continue the same format. Jean Soehnlein is coordinating.
 - Location is the Stag Club in Raleigh.
 - The caterer will be Pipers Tavern. Cost and availability TBD
 - Gift Exchange: In 2019 we had a “one gift per couple” that is wrapped and Edible! This means, cake, cookies, nuts, candy (always a favorite) or a beverage such as special coffee, cocoa or tea. Of course, wine is always acceptable. It should be in the \$10.00 value range.
 - Toys for Tots: We will do this again but need a volunteer to deliver the toys collected.
 - Trivia??? Any volunteers???
 - Pink Elephant?? Jean did not remember who got it last but don't forget to wrap or conceal it in some way!!
 - g. Kimberly Hess will be describing her quilting work also at the Holiday party.
 - h. Nov 6 - Cars & Coffee. Food Drive also for the Durham Food Pantry.
 - i. Riley Reiner received his 1st Jr at Hershey for his 1925 T. Congratulations Riley.

Program – Bob Gault described the elaborate procedure Ford Dealers are required to use to replace the battery in the new Ford Mach E electric car. Crossroads Ford has sold 70 vehicles and only had a battery issue on one of them. Crossroads is currently the only dealer in the area with the capability to change these batteries. Thanks Bob.

Dean Tryon

7. Time to Renew your Membership!

By Ken Powell

It's that time of year again - Time to renew our memberships in preparation for a whole new year of AACA activities. We look forward to an engaging year as we continue to better manage the challenges of COVID which has put quite a damper on things for the last two years. Personally, I am optimistic that we will continue to come up with better and better ways to safely resume getting together in a wider array of Shows, Tours, Meetings and Picnics.

Please complete and return the attached renewal form to Ken Powell at the address listed on the bottom of the form. (*This is a change!*) The renewal form will also be part of the next two Chapter Newsletters from Denny. I realize that these forms seem repetitive with their information requests, but I do update our records from these. Spouses and Addresses don't change that often but phone numbers and email addresses do. Your help in maintaining our records is appreciated. Renewals are requested by December 31st.

Dues remain the same at \$45 National, \$15 NC Region and \$10 Chapter. You can write one check for all three (\$70, payable to Triangle Chapter AACA) and I will pay National and Region on your behalf. If you wish to pay your National dues directly, send me a check for \$25 and I will take care of the Region and Chapter dues.

I look forward to seeing you at events throughout 2022.

Ken Powell

See the membership dues form at the end of this Newsletter

8. Triangle Chapter Car List

Dean Tryon is compiling the list of antique vehicles owned by Triangle Chapter members. This has involved updating a previous list from many years ago and contacting members to verify the list. This list will be useful for referring other car owners with questions to an expert or at least a fellow owner. If you have not already updated your car list information with Dean, please contact him. The list will soon be ready and shared. So, if you do not want one or more of your vehicles on the list, please contact Dean Tryon at 919-441-1271 or email Dean at DGTryon2516@gmail.com. We have great participation so far with over 160 listed. Thanks.

9. Wake Forest Garden Club Car Display 10-23-2021

The Wake Forest Garden Club hosted an Autumn Art and Plant Festival at the Wake Forest Historic Museum grounds on Main Street. The event featured a several booths where you could get gardening information, purchase plants, purchase crafts, get some food, and see a car display.

The Car display was organized by Dean Tryon who invited 17 of his friends from the Wake Forest area to display their cars on the museum lawn. The car covered 102 years from Riley Reiner's 1915 Model T to Stu Pattison's 2019 Bolt. Dean and Les each drove one of their cars to the display.

Both Riley Reiner and George Ashley drove their Model T's from their homes to the display. A very nice Saturday drive. George indicated there was a lot of interest in the older cars. He even had to explain to one unbelieving teenager that his Model T was not a kit car and that he had actually driven the Model T to the display.

There were some unusual vehicles at this car display including two Rolls Royces a 1986 and a 1937. There were a couple of Corvettes and an Isetta BMW. See the pictures below.

10. 2021 AACA Southeastern Tour of Mt. Airy, NC

October 11-15, 2021

By Dan Fuccella

Triangle Chapter Members Peggy & Floyd Barnes in their 1957 Ford Thunderbird, and Jean & Dan Fuccella in their 1950 Willys Jeep Station Wagon attended this well-orchestrated Southeastern Divisional tour presented by the Savannah Region of AACA. An amazing part of this nicely planned tour is that the Savannah Region is, in fact, located in the Savannah, GA area – a 5-hour drive to Mt. Airy! The tour organizers, led by members Lee and Jeff Froehle of Pooler, GA logged 5 trips and enumerable phone calls and emails to Mt. Airy during the planning stages of this tour. All that planning paid off handsomely for the approximately 45 drivers and their passengers throughout the week.

The events were well scheduled, the social events warm and entertaining, the routes well planned, and the selection of attractions, both in Mt. Airy and in the surrounding region, were both informative and entertaining.

Tour highlights included:

- The Andy Griffith's childhood home and the Andy Griffith Playhouse/Museum, Mt. Airy, NC
- A squad Car Tour of Mt. Airy including a stop at the world recognized, but little known in NC, granite quarry.
- A Welcome Dinner at White Sulphur Springs Event Center, Mt. Airy with Mayberry skit
- A display of our cars, and shopping spree in downtown Mt. Airy
- A Cruise to Pilot Mountain, NC
- A tour of the Mt. Airy Museum of Regional History, complete with evening Ghost Stories
- An exclusive tour of "Old Cranks Motor Car Museum, Galax, NC
- A cruise down the Blue Ridge Parkway to the Music Center and Old Mill
- A closing Dinner at the impressive Depot Restaurant in Dobson, NC

As an additional thoughtful measure, on Tuesday, our hosts divided our cars into four distinct groups, alternating our stops to avoid overcrowding at the destinations. Peggy, Floyd, Jean, and I totally enjoyed the cruises, the destinations, and the camaraderie among the participants during the trips and dinners.

Jean and I had a great time despite some electrical issues with the Jeep that sidelined us for portions of the tour. Our generator developed problems. Fortunately, there is a good-ol'-boys auto electric repair/rebuilding shop in Mt. Airy. Somehow, we managed to understand one another well enough for them to diagnose a short in the generator windings, which they corrected in a matter of a couple of hours. However, we found that the incident had inflicted irreparable damage to an already tenuous voltage regulator, which prompted us to limit excursions. On the brighter side, the situation provided us with an opportunity to make friends with some downhome local folks. On Friday, we cautiously cruised back to Cary, using alternatively, our parking and headlights to modulate voltage to the battery. Jean was a trooper throughout the experience – consistently lending support.

All and all, a pleasant time was had by all, and we wish to extend our deepest appreciation to our hosts for an exceptional tour.

11. Hayes Barton Centennial Celebration October 30, 2021

By Riley Reiner

The car display and two shows of the Take Apart T were very much enjoyed but the spectators both young and older. We had a good representation of cars and five additional cars from the community. The display was in the Wells Fargo bank parking lot and the Take Apart show was in the middle of Fairview Road which the police had closed off for the day. Weather was very comfortable with a light breeze and overcast skies until late afternoon. Most of our Take Apart shows are on the hottest days with no shade.

Our assembly times were 13mins. 35 secs. for the morning and 10 mins. for the afternoon show. I thought the times were great since we had not had a demonstration in over two years. This year, my grandson Colin Wimmer crank started the car for both the test start and the real start for each show. Our granddaughter was our new sound person.

Morning Disassembly

Assembly

Heavy Lifting – The motor and Transmission

The Sound Team

Drive Away

Kids Pictures

The club's thanks go out to the following members for their participation. We earned some money for the treasury. Here is our team: Denny Oestreich (1957 Chevy), Jack Agayoff, Brian Wingler(1957 T bird), Dave Norris (1941 Packard), John Dipietro (1990 Avanti), Joe Parsons (1958 Studebaker Golden Hawk), Warren Daniels (1956 Pontiac Safari), Tom Pruitt (Cobra kit car), Ken Powell, Jim Gill, George Ashley, Fred Harley, Glen Andrews, Don Aikin, Colin Wimmer and Carys Wimmer. Thank you!

If you had given some thought to participating in the demonstration but didn't, there is next year. The club needs new recruits as some of the team has aged out and the Take Apart Show has given Triangle Chapter a unique identity among the other chapters in the NC Region.

Riley forwarded Thank You Emails from Terry Henderson, the Five Point Anniversary Organizer and Thomas Young.

Terry Henderson: "Riley, thank you so very much for heading up your part of the car show and demonstration on Saturday. It was such a big hit and I have fielded many compliments which rightly belong to you. Everything went off very well and that's a tribute to your organization and management of your club's participation. That was quite an array of vehicles your guys had and, with those from our neighborhood, made for a very good variety show. The Model T demonstration was a big hit with everyone, and I appreciate your role as emcee. The demonstration was more than a stunt, it was an education for everyone in history, economics, sociology, production methods, and so much more that was going on in the 10's and 20's that changed America forever. The icing on the cake was your mechanic's Ford duster and cap—very nice. Please thank your club members and tell them how much they added to our festivities."

Thomas Young: "Riley, the Hayes Barton community wants to thank you and your kindred spirits for making our centennial such a success. The Model T demo was so instructive, dynamic, and entertaining. It grabbed everyone's attention. The passion y'all have for history, the family and its car embodies what we were trying to celebrate this past weekend. Your team's enthusiasm was contagious and made for a wonderful day. Please tell all who participated how much we enjoyed their company and their cars. Tom

12. Some Dodge WWII History

Dean Tryon shared part of the Triangle Vehicle List with new member Courtney Johnson. After seeing a list of P. H. Craigs military vehicles, Courtney has provided a bit of history about the Dodge trucks used in WWII..

In 1941-42The US military, bought every Dodge 1/2-ton truck they made. They had civilian cabs with rounded fenders, doors and windows, and a heater. By late 1942 and early 1943, the Dodges had been redesigned with a simplified cab & body and a 3/4 ton capacity. This was called the Weapons Carrier (WC) series.

- A WC-51 has a bed with bench seats & No winch, used to haul supplies or tow a 57mm AT gun & crew. This is like my vehicle, "Willie", the most common configuration
- A WC-52, same as a 51 but has a winch
- a WC-53 has an enclosed body, called a carryall, mainly a radio truck
- a WC-54 is an enclosed body ambulance
- a WC -56 is a Command Car with open cab & 2 leather bench seats, and no winch, used to haul officers This is like P.H.'s command cars.
- a WC-57 is a Command Car with a winch
- a WC-59 is a telephone repair truck
- a WC-60 is an emergency repair truck, with tool bins on the body.

Wille is a WC-51, P.H.'s cars are WC-56 or WC-57. The "Jeep" is a totally different vehicle.

13. 2021 Triangle Chapter Officers

Officers
