# PRESIDENTS MESSAGE

Remember last month when I stated, "April showers bring May flowers", and car shows? Well, both seasons are in full stride. Not a weekend goes by without a car show. Our club had a noted presence at Tom and Debbie's Cruise-in at their house. Saw some cars there that were certainly new to our club and I believe we even signed up a couple new members. Thanks Tom and Debbie. Club members attended the San-Lee chapter meet in downtown Sanford and had a few cars parked at the Yates Mill celebration this past weekend. As for me, I attended two Native American Powwows and one graduation parade with Carmella the Galaxie.

A few club members took longer excursions to the Midwest and enjoyed the fun of touring and nationally recognized car gatherings.

Our next club gathering will once again be at Tom and Debbie's place for our annual Ice Cream Social. This has always been a well-attended event and I expect no difference this year. I have modified my annual fishing trip to WI to be back in time for this event. Mark your calendars for July 30<sup>th</sup>. I mentioned fishing, yes, I need to get that squeezed in between three huge car shows in WI.

First up in the 51<sup>st</sup> IOLA CAR Show, second largest in the nation. My brother and I will once again have a swap meet tent selling Model T parts. This event draws cars from the entire Midwest and every year I see a car that I have never heard of before hand. Looking forward to the adventure.

The second event, Pierce Park, located in my home town is a one-day show that typically draws 1200 vehicles. In past years I have seen a minimum of thirty Model A's. There will also be a huge presence of Corvettes at this show.

Last is the "Beer, Cheese, and Model T's 66<sup>th</sup> annual Tour of the Model T Ford Club in Baraboo, WI. The first morning of this event, all fifty Model T's will be on display prior to start of tour later in the day. Unfortunately, I could not convince my brother to take his T on this tour so we will just enjoy the show segment.

Oh, and did I mention fishing. This year as a result of a property purchase by a family member, I will be able to go trout fishing on a very famous creek noted for harboring native trout in the cold spring waters. I fished this creek many, many years ago with my father.

Enough said, lets go out and enjoy the summer and send Randy some exciting reports on your travels.

## EDITOR'S OBSERVATIONS AND NOTES RANDY'S RANTS

By Randy N Robertson

1. Thanks to all who responded to my Media Blasting inquiry in last months issue. If I every get a little less busy I will be delving into this. FYI, to my surprise it appears I already own a portable sandblaster. (less a few missing parts) Amazing what gets purchased without my knowledge.
2. Thanks to all for your contributions this last month.
3. Please contact me with anything you want published. [rnewr2017@gmail.com](mailto:rnewr2017@gmail.com)

## AACA Meeting Notes 5/28/2023

**Action Items** -- These items need your response if you are interested. More details in the newsletter.

**June 10 – Tom Pruett** is hosting a cruise-in at his house for all cars and all car clubs. 9am to 2pm, 3900 Coley Rd, Durham. No cost, no judging, just enjoy the afternoon and variety of cars. His house is on the corner of Carpenter Pond Rd. and Coley Rd (northeast of Brier Creek).

**July 30 - Ice Cream social** at **Tom and Debbie Pruett's** house. 3520 Carpenter Pond Rd, NE of Brier Creek. 2-4pm. For AACA members and guests. RSVP Tom and Debbie at 919-422-4761

Dec 3 – **Christmas party**. **Jean Soehnlein** has reserved the Stag Club.

### Meeting Agenda Items:

The meeting was attended by 25 people at the **Backyard Bistro** in N Raleigh: a good turnout for a holiday weekend. The main topic was a review of our Region car show by Helen DiPietro and others. We had 55 cars registered (with 2 late cancellations) for this AACA members only car show held in conjunction with the Cary annual *Wheels on Academy* show next to us.

Financial Summary:

Income - \$7300 (from 22 sponsors)

Registrations – 53 @ \$25 = \$1325 (\$954 to our club, \$371 to the region)

Major Expenses – Trophies = \$2268

Sponsor expenses = \$2474

Net profit = \$1438

Helen shared with us a full report on the show if you are interested in the details.

Take A Part T comments:

We should consider dropping the emphasis on time and focus on more education during the assembly of each step. The longer we take, the more they can learn.

The disassembly time might be posted also along with the assembly time.

Possibly 2 supervisors are needed. One to assure the teams is on track – the other talking about the history, etc.

This was a great location and the consensus is that we should do it again in Cary. The number of visitors seemed to be high.

Joe Parsons and Jim Gill are pursuing.

We gained a number of new members during the show. Ken will pursue.

Helen has a good supply of silver T shirts for sale at \$10 each in all sizes.

Cheryl Anderson was the winner of a free membership.

# TRIANGLE CHAPTER MEETING NOTES

## Other business:

Our member Zoe Carmichael, now at McPherson College in Kansas, has received a \$500 scholarship from the Region as recommended by our chapter. After discussing our chapter's financial status, a motion was made and approved to send Zoe another \$500 from our chapter.

The "Red Bird" Region award should be discussed in a future newsletter on how and why it is awarded. New members are not aware of this unique award.

Jim Gill had input from the NC Flea Market as a possible show venue.

Car Display Boards – Dean reminded us that these information boards are great to have for your car at car shows. It provides info about the car and advertises our Chapter. Fred Harley will make up one for each chapter member (one for free and additional ones are available for \$5 each). A sample is shown in the photo. The final laminated size is 11"x14". Just supply a written description 8.5"x11" to Fred and he will format it and have it made up. A red border and AACA logo is added by Fred. I have them for all of my cars and most car show visitors stop and read them.

## Wording Suggestions:

Large type

Readable from 6' away

Major bullets points only

No paragraphs – keep it simple

Can be hung on the front of your car, in a window or on a stand

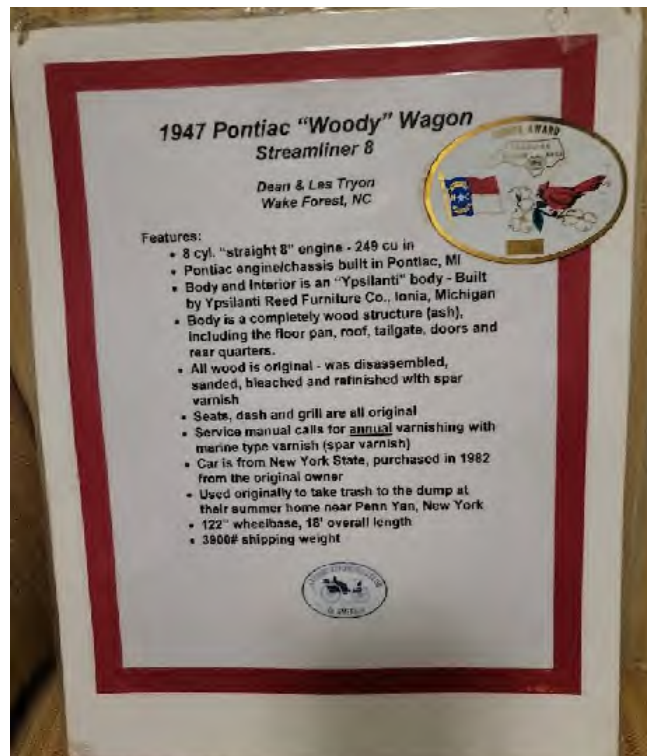

You can add an award if you like

# Triangle Members Attend San-Lee Chapter Show June 3rd, 2023

As reported by Denny Oestreich

Ten Triangle members attended the San-Lee Chapter Car Show in downtown Sanford on June 3, 2023, entering seven vehicles. The show was the biggest show San-Lee has ever had with 139 entries plus about 20 Club cars. It was the hottest day of the year which is often the case on San-Lee show day. The display field was on Charlotte Avenue and in the city parking lot. There were even seven cars in the overflow show field area. San-Lee member vehicles were included in the show for display only.

Triangle members attending were Floyd and Peggy Barnes, Henry and Tracey Burgwyn, Mike Hess, Brian Wingler, Dave Norris, Barry Kitchner, Courtney Johnston, and Denny Oestreich. Mike Hess and Denny Oestreich joined several others as Judges for the event.

San-Lee gave away the large trophies to the winners including several Triangle members. Besides looking at all the great cars, other activities included the ice cream shop and a morning farmers market where you could shop for some early season strawberries, tomatoes, and other vegetables, and a couple antique shops for treasure hunting. Below are a few pictures of Triangle cars in the show

# NC Region Spring Meet hosted by Triangle Chapter May 20, 2023 & Pictorial

As written by Denny Oestreich

The Triangle Chapter hosted the 2023 NC Region Spring Meet in Cary, NC on May 20, 2023. The meet was held jointly with the Town of Cary's "Wheels on Academy" car show. The Triangle show was organized by Helen Dipietro and supported by many volunteers from the Triangle Chapter membership. The Town of Cary provided an excellent venue and logistics for our show on Dry Avenue at the end of North Academy Street. The NC Region Show registration, refreshment and prize tents were in front of the Cary Arts Center. With the recent city renovations, shaded streets, access to rest rooms, downtown atmosphere, and the public turnout, it was a good venue. Participants and spectators could see the 51 NC Region entries and the 112 vehicles in the Wheels on Academy show. Of the 51 AACA entries 25 were Triangle Chapter members.

John Dipietro prepared an excellent parking arrangement for show vehicles with the judged vehicles grouped together making it easier for the judges. During the morning the NC Region entrants were directed by the Parking volunteers as they came through the show entrance on Dry Street. Entrants then came to the Registration tent to get their prepared window cards and event information. Marilee Sanderson organized the hospitality tent and Triangle volunteers helped entrants with refreshments including coffee, donuts, and other treats. There was also a tent to purchase chances on prizes and a 50/50 drawing. Perspective members could also join the Triangle Chapter on the spot with three new members signing up and two past members rejoining.

In addition to the AACA vehicles the participants and the public could view the display vehicles provided by Wilson and Becky Fausel and Floyd Barnes. Many entrants and members walked down Academy Street to view the Wheels on Academy show. Kids of all ages enjoyed cranking the siren and ringing the bell on Bob Ghar's antique fire truck. Additionally, Dan Fuccella organized the youth judging with several excited kids judging a few vehicles and receiving a Judging trophy.

Bob McAdam, NC Region Chief Judge, organized and assigned the car show judges. The judges visited every vehicle and marked their AACA judging sheets. As the judges returned their score sheets Bob tabulated the judging results and at the end of the show announced the winners. Special Triangle car show Trophies designed and assembled by Jim Gill and Fred Harley were given to each participant according to their judging results. Bob also awarded the NC Region Herb Payne Award to Keith Townsend for the best 1925 or older restoration. Mike Hess was awarded the NC Region Ray Crooke Memorial Award for the Best 1958 and newer vehicle, and Jim Gill was awarded the NC Region Marshall Van Winkel Award for Best Pre-war Restoration and Bob Furman was awarded the NC Region award for the Best DPC entry.
