The AACA National Shows are scheduled for 2023. The 2023 events are listed on the AACA Website at:

<https://aaca.org/events/category/aaca-national-calendar/>

# PRESIDENTS MESSAGE

By Jill Gill

“April showers bring May flowers”, but it also brings us to our annual car show.

Yes, it is that time of the year.

All our preparations that we talked about way back at years end now must be implemented.

And I will guarantee plenty of our fellow club members put a lot of hours into this year's show. My hats off to all of them that participated in the plans for this show.

As you know, this show is in conjunction with the Region Spring Meet and the Town of Cary Wheels on Academy. We are expecting two things to happen, mother nature to give us good weather and the town folks come out to view our wonderful antique vehicles.

A specially designed Tee shirt has been designed for this great event. For those that were unable to work the show, you can still support our club members by purchasing one of those T shirts at our main tent.

Those of you that have registered for the show can expect to receive a specially designed trophy commemorating the event.

With that said. let us all get out there and enjoy this year's Region Spring Meet.

See you Saturday downtown Cary.

## EDITOR'S OBSERVATIONS AND NOTES RANDY'S RANTS

By Randy N Robertson

1. Looks the take Take-Apart-Tee demonstration is going to come across just fine, despite Riley's absence. He of course will be missed.
2. Boy we sure do owe an abundance of **Thanks** for Helen's continued commitment to making the Region Meet a success.
3. Thanks to all for your contributions this last month.
4. My grandson and I continue to restore my peddle car 1962 Murray Comet Special, with a short interruption as he spotted two remote control model cars on the shelf. He is having a ball making them go fast. His skill is improving weekly. Not sure who is having more fun, him or me.
5. Please contact me with anything you want published. [rnewr2017@gmail.com](mailto:rnewr2017@gmail.com)

# ACKNOWLEDGEMENTS & ANNOUNCEMENTS

As reported by Dan Fuccella

## Triangle Chapter, AACA

## Chapter Events Schedule as of 4/17/2023

Sunday, May 28, 2023      General Membership Meeting

Backyard Bistro Raleigh      1235 Hurricane Alley Way, Raleigh

Sunday, June 25, 2023      General Membership Meeting

Backyard Bistro Raleigh      1235 Hurricane Alley Way, Raleigh

Sunday, July 30, 2023      Ice Cream Social

Tom & Debbie Pruet's home 3520 Carpenter Pond Road, Durham

As reported by Dan Fuccella

Hi Again All,

Thank you for participating in Bartlett Reserves first annual Fun-in-the-Sun Festival. Contrary to dire weather predictions, the event was only temporarily disrupted by a light sprinkle while all were conveniently having our lunch.

The event started at noon. A buffet lunch was provided by Bartlett, and the event wrapped up around 3pm.

Several of Bartlett's residents came out to look at the cars and some of the car owners provided rides to interested residents and staff members.

The following individuals attended with their cars:  
Dudley Morrison: 1988 Lincoln Towncar

Brian Winger: 1967 Mustang Fastback

Herbert Tull & Elissa Brody: 1929 Pierce Arrow

Dan Fuccella: 1950 Willys Jeep Station Wagon

Ray Bader: 1978 Avanti

Event: Bartlett Reserve Fun-in-the-Sun Festival  
Date: Friday, April 28, 2023,

Thank you, Michelle, for organizing this event.

# ACKNOWLEDGEMENTS & ANNOUNCEMENTS

***ANDREA IRBY NEEDS A VOLUNTEER  
TO HELP WITH FACEBOOK.  
MY UNDERSTANDING IS IF YOU ARE  
ON FACEBOOK THIS IS EASY  
PROJECT TO TAKE ON.***

As reported by Denny Oestreich and Dan Fuccella

This is an invitation for Triangle members with older cars to display them at the Historic Yates Mill Park. We have done this in the past. If you are interested in Wake County history this is a good event to participate as well as display your antique vehicle. The date is **June 17 from 9 AM to 1 PM.**

I believe folks can sign up for a guided tour of the mill at <https://www.wake.gov/departments-government/parks-recreation-open-space/all-parks-trails/historic-yates-mill-county-park>.

Jean and I took the tour last month and found it very informative. Dan Fuccella Mobile: 919-349-5911

Original Note from Yates Mill:

My name is Lindsey Davis Blanchard, and I am a Park Technician at **Historic Yates Mill County Park** in Raleigh.

***JEAN SOEHNLEIN IS LOOKING FOR  
A REPLACEMENT TO HANDLE THE  
YEARLY MEMBERS GUIDE. PLEASE  
CONTACT JEAN IF YOU  
INTERESTED.***

Yates Mill is the oldest operating gristmill in Wake County, dating to the mid-1700s. It was once the center of the community, for farmers to come and grind their corn and other grains. Since most of the farmers had to travel distances, there were many different types of ways that they arrived at the mill. The mill was operating as a business until the 1950s, and still operates today for the public to experience.

I am very interested in showing off the many different ways that people would bring their corn

and families to the mill. My husband and I actually own a Model A Ford from 1930 and are members of the Tar-wheel A's, so I have a connection to learning about the history of transportation. Due to my interest, I am planning an event at Yates Mill to show off how the average person would've travelled. Since we have such a wide range of history from the 1700s to the 1970s+, I am hoping to have roughly 5 different types of vehicles present. This will be a drop-in type of event for the public where we will have the vehicles parked and the public can walk up to them and hear a spiel about the history of each type of vehicle.

I would love to have any antique car present to attend this event that would show off how the average person could have travelled. The event will be on **Saturday, June 17 from 9:00-1:00.** Due to limited space, I do think we will only be able to have roughly 5 vehicles present. Would anyone in this club be interested in attending? I'm happy to provide more information for you, if so.

# ACKNOWLEDGEMENTS & ANNOUNCEMENTS

## As Reported by Randy N Robertson

Hope everyone saw Ray Bader's Email Recap and Thanks of the GoodGuys show. Although I was only able to attend one day it was enjoyable.

If you did not get it let me know and I will forward it to you.

During the show Ed Little approached our area and explained he has "Lots of Model T Parts" Please contact Ed @ 434-432-8709 for more information.

# TRIANGLE CHAPTER MEETING NOTES

None this month

Last meeting was entirely about planning the Upcoming Region Meet

Photo by Wilson Fausel

# AACA Southeastern Nationals

As reported by Denny Oestreich

I enjoyed three days at the Charlotte Motor Speedway from Thursday through Saturday April 13-15 judging at the AACA 2023 Southeastern Spring Nationals and selling parts at the Hornets Nest Region vendor area. The event was a success after several years of Covid dampened activity and cancellations. There were more than 220 vehicles on the judging field including seven entries from our own Triangle Chapter.

There were vehicles in this show from North Carolina, South Carolina, Virginia, and other states as far away as Denver, CO and Kansas City, MO. Following is the story of my adventure.

On Wednesday before the event I loaded my pickup truck with parts that I could fit in the bed with the cover on. This was fewer parts than my previous two years. I drove to Charlotte on Thursday morning, leaving at about 8 AM and arriving at 11 AM. Our vendor spaces were in the Orange Field. The buyers were already there as I unpacked, and I immediately began selling. The early bargain hunters were anxious to buy after the previous Covid years with reduced attendance.

The Orange Field spaces were about an equal division between vendors and people just using their space to park their driver vehicles to get close to the action. I expected to see something special in not have any major attractions for spaces. No one could understand closed to vendors this spring. The track were very active and there yet a lot of buyers.

Thursday had nice weather and I es. Thursday afternoon I prepared Thursday night and Friday. On Friday of an overnight light rain, so the were fewer buyers with umbrellas. I sat in my truck until about noon. very few buyers left so I began to

Henry Burgwyn—1998 Pontiac Trans AM 1st Junior

I ex- the Blue Field however, it did all the disruption of vendor why the Blue Field was Red and Green fields outside the were a lot of vendors and better

sold a lot of parts at bargain price for rain that was predicted on day morning there was evidence sales activity was slow and there At 11 AM it started to rain hard, so When the rain let up there were pack up.

After lunch on Friday, I attended the AACA Judges Training in the Race Track Media Center. I had taken the training session at the January NC Region Meet in Raleigh but decided to take it again to learn more. There were a lot of interesting questions about AACA judging. After the Judges training, we were invited to look at three new 400-point cars at the Roush exhibit. They are considered 400 point vehicles because they are “as delivered from the dealer”. These cars were \$80000 Mustangs modified by Roush Racing. Roush is a Ford dealer who modifies these vehicles before delivery, so these Mustangs are officially considered dealer delivered Ford vehicles eligible for AACA judging when they reach 25 years of age in 2048.

Brian White—1914 Pierce Arrow Repeat Pres.

# AACA Southeastern Nationals page 2

On Saturday I attended the AACA National meet where I had volunteered to judge. The Judge's breakfast was slow to start because of a mix up with ordering the catered breakfast. However, I did have the opportunity to mingle, meet, and greet many fellow AACA members including several Triangle Chapter members. At our judge's table we made introductions and organized. We were assigned 10 cars to judge, six Corvettes and four 1957 Chevrolets. Before judging I attended Dain King's Continuing Judges Education (CJE) session on engines. The CJE was based on material prepared by Mike Petersen.

At 11 AM judging started. The six Corvettes were well restored cars whose owners were accustomed to National Corvette Restoration Society (NCRS) standards, so they were easy vehicles to judge. There were four very nice 1957 Chevrolets on the field and, strangely, no '55 or '56 Chevys.

Several Triangle Chapter members participated in this show as judges or entered vehicles in the show. Triangle members attending the Judges Training were Denny Oestreich, Brenda Gerken, John Gerken, Ken Powell, Dan Fuccella and Fernando and Josephina Lugo. Members Judging were Denny Oestreich, John and Brenda Gerken, Dan Fuccella, Riley Reiner, Mike Hess, and Mike Petersen. Triangle members showing vehicles were Fernando Lugo - 1957 Chevrolet, Tom Pruitt - 1997 Camaro, Jim Aldrich - 1923 HMS Stutz, Henry Burgwyn - 1998 Pontiac Trans AM, Brian White - 1915 Pierce Arrow, John Dipietro - 1990 Avanti, Dan Fuccella - 1950 Willys, Brian Wingler - 1988 Ford Ranger, Courtney Johnston - 1937 Buick. The weather was good, and the show went well and on time. Those of us who judged even got a \$10 rebate form Hornets Nest for the missing Judges Breakfast. This was a great show to renew acquaintances and meet new car friends. Below are some pictures of Triangle Vehicles and friends.

# Goodbye to my 1956 Studebaker

## As Reported by Joe Parsons

After owning my 1958 Studebaker golden hawk for 56 years, I decided to sell it . My father sold the hawk in 1958 being a Studebaker Dealer in East Liverpool , Ohio

In the photo of car inside in trailer, the man on the left is the new owner in Michigan ( he is 84 years old ) , his son is on the right .

I have had hundreds of wonderful experiences restoring the hawk and winning many awards.... with the ultimate being Best in Class at the Amelia Island Concours .

I have to thank club members Mike Peterson, Bob Gault and Tom Pruett for transporting this hawk to many out-of-town car events . Mike and I even calculated near 8,500 miles that he had hauled my hawk to shows.

The hawk has its AACA first junior , first senior , grand national first , grand national senior and repeat and did receive a nomination for National Award .

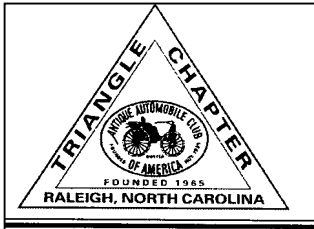

The car has appeared in many publications and even appeared on the Tar Hill Traveler TV show.

I plan on staying active in the club as there are so many wonderful friends , a social life to enjoy and cars!

# TIP or Question of THE MONTH

*SHOULD YOU SET UP TO  
MEDIA BLAST IN HOUSE OR  
SUB IT OUT ?*

We can all use a little help around the garage or shop!

Randy N Robertson submitted this questions

**Send me those tips or questions**

**This one's from me and I seek the tenured advice of the club.**

1. I don't have a compressor capable of blasting or painting.
2. Should I go to the expense of this equipment for what is likely a single restoration?

Going to be reaching a point where in next few months that I will have some time on my hands.

Recommendations please and be specific on equipment or a reliable sub.
