Meeting Agenda Items:

1. Our meeting at the Backyard Bistro was well attended with over 42 attending. Great!
2. Several members received awards at the AACA Grand National show in Charlotte including:
Tom Pruett, Floyd Barnes, Glen Andrews, Brian White and 10 others.
3. The Glenaire retirement home show on 4/20 was great with 23 cars.
Thanks to Fred Harley and Dan Fuccella for organizing it.
4. The Brier Creek show organized by Joe Parsons had 68 cars (12 from our chapter members)
on 4/27 with a huge variety of cars.
5. Thanks to Marilee Sanderson and Joel Hoffman for a very successful Chili-Cookoff on March 17.
Plenty of chili this year and over 40 in attendance.

6. Denny Oestrich has prepared the 2024 Members Guide with updates and changes.

Check that your info is correct please.

7. Mike Petersen has proposed (in the last newsletter) doing a 1 hour talk on Route 66 at a time

other than our regular meeting. If you are interested, call Mike (919-851-6726).

8. The meeting program was done by Denny Oestreich and Tom Pruett on their recent trip to Arizona

to attend the Barrett Jackson auction (plus four other auctions in the area).

Interesting logistics to get 2300 (for Barrett Jackson) cars sold in the 4 days of the auction.
