## SUNRISE THEATER SPECIAL EVENT

**SATURDAY 13 JUNE 2PM OR 7PM**

AACA Sandhills Chapter owners of 1950s or 1960s cars or trucks. *- CARS from all eras are welcome*

The Sunrise Theater in Southern Pines will have a special showing of the movie American Graffiti on Saturday 13 June at 2pm and 7pm.

The theater is also hosting a **Classic Car Expo** on the field adjacent to the theater featuring cars or trucks from the 50s and 60s that were a large part of the movie cruising down the street.

Members of our chapter who have cars or trucks from that era are encouraged to show their car. The field will be available from <sup>noon</sup> 1pm to 7pm. Refreshments and beverages will be available for sale to the public. Anyone who brings a car to show will get free admission to the movie or a complimentary pass to a future movie at the theater. *Unlimited water/soda + popcorn + 2 Adult Beverages for car owners!*

Since many may not want to spend the whole afternoon in SP, we will support this by having 2 shifts of cars from <sup>NOON - 2PM</sup> 1-3pm and 4:30-7pm.

Sign up by Friday, 12 Jun with your name, year, make & model of your car & shift via text or email to:
