1. Events Calendar

Triangle 2022 Events Calendar

Event: **CHILI COOK OFF & COMBINED General Meeting of the Triangle Chapter of AACA**
(Date and Venue Change!)

Meeting Date: March 19, 2022

Meeting Location: Joel Hoffman's Home 10125 Lake Wheeler Road, Fuquay Varina, NC

His house is near the intersection of Hilltop Needmore Rd (10mi S of I-40) and just west of #401.

Zoom link: NONE for this all in-person meeting

Event Schedule:

1:30 Arrive

1:30 to 2:30 Social Hour while Chili warms up

2:30 to 3:30 Chili Lunch

3:30 to 4:00 General Meeting and Dessert

PRIZES for: Best Chili, Hottest Chili, Best Cornbread and Best homemade dessert!!

LOGISTICS: The Chili Cook-off will be held inside Joel's Home.

Register Please: This will be a rain or shine event since we will be inside. Looking forward to seeing who beats Peggy for the Best Cornbread!! Please send a message to Jean Soehnlein at moosemail@bellsouth.net stating that you are coming and plan to bring a pot of chili or cornbread or dessert!! She needs a headcount to plan paper products, drinks, etc., etc.

PARKING: Parking is best in front of the workshop, or along the sides of the driveway. After filling the area in front of the workshop, park along the driveway, backing the cars in perpendicular to the driveway, then on the left side. For safety purposes, do not park on the road. It is OK to park on the grass. Joel drives a tractor on it when mowing so why not put cars on it (I'm quoting him).

Also, the **2022 Member's Guide** will be available to pick up at the Chili Cook-off!! Make sure you get any updates to your information to Jean Soehnlein by March 5th.

NC Region 2022 Calendar Events Planned – See below

AACA National Events Calendar – **UPDATED LINK !**

The AACA National Shows are scheduled for 2022. The 2022 events are listed on the AACA Website at:
<https://aaca.org/events/category/aaca-national-calendar/>

2. President's Message

By Mike Hess

Looks like we will have a big turnout for the chili cook-off at Joel Hoffmans home on March 19. I hope the weather is good so some will drive their toys. As announced, we will combine this event with our March membership meeting.

I want to keep the meeting short and very informal and the only agenda item I will have is the Triangle Chapter car show on April 30.

The Corvettes International Car Club will hold their annual car show on March 26 at the same Wake Tech location. I encourage members to attend. Good opportunity to promote our show. It is for all makes and models and not just Corvettes.

More information can be found at www.corvettesinternational.com. Registration fee is \$20.

I have submitted my judging registration for the AACA Southeastern Spring Nationals in Charlotte and hope to attend. I look forward to seeing fellow Chapter members there.

March Madness is here and I will be watching a lot of collegiate basketball up and through the NCAA tournament.

I will be rooting for any ACC or Big 10 team. But it is also fun to see some small college team go far in the brackets.

Lastly, the GTX dash is all put back together. I fired it up to see how everything looks and the oil pressure idiot light stays on! What did I do? I thought about for a while and I think I know why.

Stay tuned.

Mike

3. Editor's Observations and Notes – Randy's Rants

By Randy N Robertson

1. Spring has Sprung. Well at least briefly. Hopefully this roller coaster of weather this weekend is the last of the Cold Snaps. Many upcoming events and shows.
2. Look over the upcoming events for the Triangle Chapter, the NC Region, and AACA National.
3. Remember to RSVP to attend [COMBINED CHILI COOKOFF AND GENERAL MEETING ON MARCH 19, 2022](#). NO ZOOM THIS EVENT
4. No progress this month on my '53. Perhaps next! I am on wait list for body & paint in July.
5. Thanks for the responses, suggestions, pictures and articles. Could use some more Parting Shots, Articles & Car of the Month suggestions.
6. Please contact me with any thing you want published. rnewr2017@gmail.com

4. Pop up Event in Philly to benefit Inner City Youth

As reported by Randy N Robertson

On a recent trip to Philadelphia Linda and I ran across a unique event that appealed to us both.

A pop-up Car, Rock and Roll and Horse Show. (The Original Horsepower)

Sponsored by Fuji Film and benefiting Inner City Youth this event took up no more than a small parking lot. Cars from private owners, local acting & musical talent and the Fletcher Street Urban Riding Club.

The Fletcher Street Urban Riding Club is 100-years old dedicated to teaching inner city youth horsemanship.

Per Wikipedia they are:

“Part of a century-long tradition of black cowboys and horsemanship in Philadelphia, local horsemen maintain and care for horses and teach neighborhood youth to do so. They encourage academic excellence and provide positive ways for local youth to spend their leisure time outdoors.”

The crowd and event spewed onto the surrounding street on this crisp fall day in the most historic of cities. Music beat loud, photographers both Professional and Amateur snapped away at the vibrant crowd. The mix was both young and old cheerfully enjoying the day.

It was good to get out after so many months of hibernation and limited travel.

During the trip Linda and I both ran the “Rocky Steps”, visited the Liberty Bell and met up with our “Traveling Buddies” Clay and Pat after a long-extended pause in our travel plans.

Here's to getting back out there!

MODEL A ROADSTER 1

MONTE CARLO

FLETCHER STREET URBAN RIDERS

ROCK AND ROLL

ROCKY STATUE PHILLY

May 21st, 2022- 5th Annual CCCC Car & Motorcycle Show – **SUPPORT THE YOUTH** – See March to May Newsletters

September 17th, 2022 - Kars for Kids – See January to September Newsletters

LOOKS LIKE THERE ARE A COUPLE OF FINE CHOICES FOR MARCH 26TH. HOPEFULLY THE WEATHER WILL COOPERATE FOR BOTH EVENTS

6. Triangle Chapter Meeting Notes

As reported by Dean Tyron

AACA Meeting Notes 2/17/2022

Action Items -- These items need [your response](#) if you are interested. More details in the newsletter.

1. Mar 19 – **Chili Cook-off**, Joel Hoffmans house, details in separate 2/18 email. **Jean Soehnlein** organizing – moosemail@bellsouth.net, 919-906-1771.
2. **Members Guide** is being prepared. Advise Jean Soehnlein [soon](#) if there are any changes. It will be distributed at the Chili Cook-off. (919-906-1771 or moosemail@bellsouth.net .
3. Mar 26 – Tour to **Bentonville Battlefield State Historic Site** (near Newton Grove, NC). This has been organized by **Courtney Johnston** and is being done with the local Buick Club also. Details are in the 2/6/22 email. The original plan was to start in Cary but after discussion and the various routes to get there, it was decided to just meet at Bentonville. If members want to drive together, it needs to be set up by a volunteer. The Buick Club will meet at Bentonville. I will send out more details before the event. Let Dean know if you are planning to attend. (919-562-4660 or reply here)
4. April 30 – our annual local show will be at the new **Wake Tech** facility at 6600 Louisburg Rd, Raleigh (aka #401 and just north of I-540). Details to follow. Mike Hess and Jim Gill organizing.
5. May 21 – Cary **Wheels on Academy** show. Joe Parson organizing.
6. Dec 4 – Annual **Christmas party**. Jean Soehnlein organizing.

Meeting Agenda Items:

1. The meeting was attended by 25 people in person at the Golden Corral plus 13 on ZOOM. New member **Michael Zito** attended on ZOOM.
2. Membership is slow to renew this year with just 72 families so far (and 11 TBD). The treasury is at (redacted).
3. **Chet Butcher** made a motion (passed) that we spend \$100 to get a free-standing sign to use at cruise in's and other events to promote our Chapter.
4. **Denny Oestreich** received an award from the Region for his 9 years of doing the web site. He also mentioned that the web site (www.aaca.org) is undergoing significant updates and reformatting so if you see anything that is missing, let Denny know.

5. The presentation was done by **Dan and Anne Russell** (former members) from Williamsport, MD. They discussed their participation in the London to Brighton Veterans Car Run (in England) for 2-cylinder cars older than 1905. They participated in 2016 riding in a 1903 Ford but their original plan was to drive their own 1903 Franklin. However, their car was not completed until 2021. This “run” is not a race but the goal is “simply” to drive the 60 miles in one day to complete the course to Brighton. It has a variety of cars from all over the world that we have never seen.

Footnotes:

1. Congratulations to our one and only **Mike Petersen** for having achieved the level of 350 Judging Credits in 2021, and for having shown Perfect Attendance for all 2021 Nationals; as reported in the January 2022 issue of The Judge.
2. Denny Oestreich received a note from a future chapter member with a restored 1938 Buick. They currently live overseas and will be moving to Raleigh in 2023 or 2024. The car is in Charleston, SC. They request recommendations of someone that can bring it to Raleigh and a place to store it until they purchase a house. If you can help, let Denny know (919-846-8163).

7. Time to Renew your Membership!

Hopefully by now you have sent in your Membership renewal.

NOT TOO LATE

A Bargain at \$70.00 per year!

See the membership dues form at the end of this Newsletter

8. Triangle Chapter Car List

Dean Tryon is compiling the list of antique vehicles owned by Triangle Chapter members. This has involved updating a previous list from many years ago and contacting members to verify the list. This list will be useful for referring other car owners with questions to an expert or at least a fellow owner. If you have not already updated your car list information with Dean, please contact him. The list will soon be ready and shared. So, if you do not want one or more of your vehicles on the list, please contact Dean Tryon at 919-441-1271 or email Dean at DGTryon2516@gmail.com.

We have great participation so far with over 160 listed. Thanks.

9. Triangle Directory Update

The 2022 directory will be distributed on March 19, 2022 during our **Chili Cookoff / Combined General Meeting**.

Many Thanks to Jean Soehnlein for her efforts in putting this directory together.

Ken Powell reports that 11 members are on the fence for renewal.

Not too late to reup your membership!

14. Tip of the Month

We can all use a little help around the garage or shop!

Here is another opportunity to get your name is print.

Send me those tips!
Borrowed from the Internet:

In-the-Bucket Air Tools

A 2-1/2-gallon bucket is all you need to store air tools and hoses on a wall right by the air compressor.

Screw a 3/4-in. plywood shelf inside the bucket to create two storage areas, then attach the bucket to the wall with a couple of lag bolts and washers. Load up the bucket with nail guns, nails, tire pressure gauges and other accessories and coil the hose around it

15. The Parting Shot

Keep those OUTDOOR pictures coming!

Submitted by Mike Hess – A Blast from the Past – Circa 2003-

Members of the Triangle chapter of the Antique Automobile Club of America assemble a Model T during a show at Oak View Historic Park. The engine is in the foreground. Below, Fred Harley is behind the wheel as Riley Reiner cranks.

STAFF PHOTOS BY JOHN RUTTEL

ANTIQUE ROAD SHOW

Auto club proves assembling a Model T is a snap

By DAVID RAND
STAFF WRITER

When the Ford Model T was the world's most popular car, you could only get it in black, and features such as a rear view mirror and windshield wipers weren't available.

But it wasn't hard to take apart and put back together. In fact, farmers liked to remove the engine and put it on a stand to run power saws and other equipment.

"Then they'd put it back in the car to go to church on Sundays," said Riley E. Reiner of the Triangle chapter of the Antique Automobile Club of America, which hosted an antique car show Saturday at Oak View Historic Park in Raleigh.

To show how simple those Model T's were, eight crew members and a "shop steward" assembled a 1917 model in 5 minutes, 7 seconds.

That's right. In less time than it takes most motorists to change a tire, they took two dozen components spread out on the

park lawn and made a Model T. Then they drove it 50 feet just to show it really worked.

The Model T was designed for quick assembly, the first car ever produced on a moving assembly line. In 1917, Ford turned out a car every 10 minutes.

The keys were simplicity and a process that called for many of the major components — the axles, the chassis — to be assembled elsewhere in the factory before reaching the assembly line. So, on Saturday, crew members simply lifted the pre-assembled body and lowered it onto the pre-assembled chassis.

Although it's not something the club announces, if you take crew members aside you find that they have taken a few shortcuts to speed up the process. Rather than bolting everything together to make it sturdy enough for the rigors of the road, for example, they use hitch pins to hold things together.

"We could never take this on the road," Reiner said.

Till next month

Randy N Robertson

Dear Fellow Car Enthusiast,

For the benefit of Transitions LifeCare, founded as Hospice of Wake County, we are holding our **23rd Annual Fun in the Sun Car Show** on **March 26, 2022**. Because of the generosity of individuals, corporations and registrants, over the past 14 years, through our **Spring Fun in the Sun Car Show** and **two virtual car shows** we have been able to contribute more than \$126,000 to Transitions LifeCare. We invite you to help us continue that support by participating in our **LIVE 2022 car show**. Details about the show can be found at <https://www.corvettesinternational.com/all-events/fun-in-the-sun-spring-car-show/> and in the attached flyer.

Location: Hendrick Center for Automotive Excellence
Scott Northern Wake Campus
6851 Perry Creek Road
Raleigh, NC 27616

Date: March 26, 2022, 9:00 AM – 4:00 PM

Registration: 9:00 AM – Noon, Preregistration on website is open at
<https://www.corvettesinternational.com/all-events/fun-in-the-sun-spring-car-show/>

Registration cost: \$20 – Includes goodie bag and free T-shirt

Other Support Opportunities: 50:50 raffle, Auction (Wheels, Tires, VIR experiences and more), Individual contribution to Transitions LifeCare

Car Show Web Page: <https://www.corvettesinternational.com/all-events/fun-in-the-sun-spring-car-show/>

All makes and models of cars/trucks are welcome.

We look forward to seeing your entry.

Keith Beck
President

Ron Grieb
Car Show Director

ROAD TRIP to BENTONVILLE BATTLEFIELD STATE HISTORIC SITE

For AACA and BCA members

This is an UPDATE based on Information provided.

Per J Courtney as of 03-12-22 Everything is set!

Rain Contingency Plans are in affect and final decisions will be announced on Thursday March 24th for those registered. Courtney reports that Col. Burt provides an excellent tour! Sounds like an exciting time!

As previously announced all participates are to meet at the Battlefield.

There may (or may not) be privately organized Conveys, please contact J Courtney Johnston. Info below

DATE: Saturday March 26th, 2022 10:00 hours Tour

LOCATION: Bentonville Battlefield State Historic Site

5466 Harper House Rd, Four Oaks, NC

CONTACT: J. Courtney Johnston at jcj_oha@hotmail.com 919 661-4946 home On day of event: Call his cell at 919 931-4337

PURPOSE of EVENT: To take our classic cars on a road trip from Raleigh down to Bentonville Battlefield and tour the battlefield, have lunch and return safely.

The Battle of Bentonville in March, 1865 was the last major attack made by the CSA Army of Tennessee in an attempt to stop USA General Sherman from reaching the railroad junction in Goldsboro. Bentonville is the largest battle ever fought on NC soil.

Tour Guide: Our battlefield tour will be led by Fred Burt, Lt Col US Army (ret), a knowledgeable and experienced battlefield tour guide. Col. Burt will be assisted in his presentation by AACA/BCA member J. Courtney Johnston.

Registration: Please register for this event by sending an e-mail to Courtney at the address provided above so he can create a spreadsheet of our info.

We plan to arrive at Bentonville before 10:00 for our tour.

The Tour: Our tour will begin at the Bentonville battlefield visitor's center, where we will meet Col. Burt and watch a short film describing the battle of Bentonville in March, 1865 and its significance in the closing days of the Confederacy.

Our second stop will be outside behind the visitor's center, where we will provide a demonstration of the uniforms, equipment and weapons of a typical soldier of the War Between the States. The School of the Soldier will be demonstrated, as well as loading and firing of the rifle-musket. Yes, firing is LOUD, but you will be warned in advance.

Next, we will load into cars to tour the 8-9 stops of the first day's fighting. The battlefield is too big to walk, so we will drive to each stop. Once on site, we will want to carpool to reduce the length of our caravan because parking at these stops is limited. The tour will end back at the visitor's center, where we can use the facilities, visit their museum and shop in their gift shop. Next is lunch.

Lunch: Lunch will need to be on your own, If he's open, Eddie's has the best southern food around.

Driving Home: Let's get home safely! I'm looking forward to sharing my military history hobby with you all. See you in Bentonville!

Event: Camp Butner Museum Military Vehicle Show

Date: April 2nd, 2022, 10:00-4:00

Location : Camp Butner Museum 416 24th St, Butner , NC

Purpose of Event: To promote the Camp Butner Museum by attracting visitors with our militaria and military vehicle displays.

New for this Event: Given the popularity of Harlow, a 1937 Buick, with the visitors, the Museum has opened the event to pre-war original cars and trucks. They are looking for original pre-war cars that would have been driven during WWII, so any car or truck from mid-20s thru 1942. This gives us a chance to showcase our pre-war cars and teach the visitors about the cars on the US roads during WW II.

Contact: Anthony Dawkins at awdawkins52@yahoo.com

Comments:

It's a nice ride to Butner, about 40 miles from Raleigh up Creedmoor Rd. No Highway!

While the museum wants pre-war cars, it's a great day-cruise from Raleigh for the whole club. Please cruise up to Camp Butner to support this worthy event.

Triangle Chapter of AACA 59th Antique & Classic Car Show

Wake Tech North Campus Hendrick Center for Automotive Excellence
6851 Perry Creek Rd. Raleigh, NC
Saturday April 30, 2022 – 9:00 AM to 2:30 PM
